

Mathouse Ltd: Unit 7, 1 Cholsey House, Oxford Road, Reading RG30 1AP

Design & Access Statement

The original planning permission (Ref 051349 06/00010/FUL) granted for this development includes plans showing the door location to be that proposed within this application. It would therefore appear that the scheme was not originally constructed in line with the permission granted, something this application seeks to correct.

The revised location of the door set will allow better access to the premises for wheelchair users given the slightly sloping site.
