Dear Sir/Madam

**H3G (UK) LTD**

**GPDO APPLICATION FOR THE INSTALLATION OF 20M MONOPOLE, SUPPORTING 6 NO. ANTENNAS, 4 NO. EQUIPMENT CABINETS AND DEVELOPMENT ANCILLARY THERETO AT JUNCTION 11, SOUTH SIDE OF M4, READING, RG7 1NR (NGR: E: 471522 N: 168504)**

We write on behalf of H3G (UK) Ltd, to make a formal application for the installation of telecommunications apparatus at the above location. This location has been identified as being necessary for H3G's business development and meets its specific technical and operational requirements. The identification of this location for development follows pre-application discussions with your Department and a previous application.

A combined technical solution is proposed. The proposed development will be in the form of a new telecommunications base station, together with a proposed replacement mast sited to the North with forms the subject of a separate application.

Please find enclosed the associated application package comprising: -

- The completed planning application forms
- The associated Planning Drawings (002,215 & 265)
- The Supplementary Information Form made in support of the application,
- Copy of Notice under Article 1.
- ICNIRP Certificate.
- A sum of £482 made payable to Reading Council.

We look forward to discussing the merits of this proposal with you in the near future. In the meantime, should you require any additional information or have any queries relating to this application, please do not hesitate to contact Jenna Allen at the address below.

Yours faithfully,

Jenna Allen
