Tel: +44 (0)1225 876990

Client: RPS

Architect: TP Bennet

Npavisuals were commissioned by RPS to prepare a series of Accurate Visual Representations of the proposed development at Caversham Road to accompany the planning application.

The viewpoints were selected in consultation with the planning and landscape professional and onsite assessment.

Viewpoint representation levels and Fields of Views were selected to best accurately portray the perceived view when viewed at A3. (Please see methodology for further details)

- 7 no. AVR Level 2 / 39 Degree Field of View
- 2 no. AVR Level 2 / 65 Degree Field of View
- 3 no. AVR Level 2 / 74 Degree Field of View
- 9 no. AVR Level 2 / 90 Degree Field of View
