

Category U Trees / Trees to be Removed

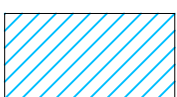

Category C Trees

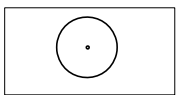

Root Protection Area

Tree Protection Fencing - In accordance with best practice BS5837:2012 Trees in relation to design, demolition and construction.

Ground protection within root protection areas - No dig zone - construction within this area should be manually hand dug under the surveillance of an accredited arboriculturalist.

Proposed Tree Planting

NOTE:

Excavation of zones where this buffer conflicts with the Root Protection Area, should be by hand and under the supervision of an arboriculturalist.

For further details of surveyed trees, please refer to 'Tree Survey for Land at Longwater Avenue, Green Park Reading: JTK/8754/so; Ian Keen Limited, March 2017'
