

Planning Statement for;

15 Trafford Road,
Reading,
RG1 8JP

Planning Ref;

PP-07328754

12th December 2018

I have put in the planning application for the above to change the usage of the property back to warehouse and storage which it was when my family first bought the property.

- The property has previously been registered as a warehouse/storage unit.
- There will be no major changes in the amount of traffic going to the property.
- There is a shared access road to the property.
- The site is an end terrace property with 3 parking spaces.
- There will be no new build floorspace.

I trust this information is satisfactory for your requirements.

Yours truly,

Mr Daren Cornish
