Head of Planning, Development
& Regulatory Services *J.P.M.*

Application At: 110 Chiltern Road Caversham Reading RG4 5JD

Application No: 182016

Application type: Householder

CONDITIONS & REASONS

1. The development hereby permitted shall begin no later than three years from the date of this full planning decision.

Reason: to prevent an accumulation of unimplemented planning permissions, and in accordance with Section 91 of the Town & Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out in accordance with the following approved plans:

Received 15th November 2018:

18049- LO- 001 Location plan

Received on 21st December 2018:

18049 -DD-001 A Proposed Site Plan / Block Plan

18049 -DD-002 A Proposed Floor Plans

18049 -DD- 003 A Proposed Elevations

18049- DD- 004 A Elevations and Section

Reason: because permission is granted in respect of the development as detailed in the approved plans only.

3. The extensions hereby permitted shall not be occupied until all vehicle parking space(s) have been provided in accordance with the approved plan 18049-DD-001A. The space(s) shall be kept available for parking at all times thereafter.

Reason: To ensure that the development is provided with adequate parking facilities to meet the needs of future occupiers and reduce the likelihood of roadside parking which could be a danger to other road users to accord with Policy CS24 and Policy DM12.

*4. No development shall take place until details of finished floor levels relative to existing floor/ground levels have been submitted to and been approved in writing by the local planning authority. The development shall be carried out only in accordance with the approved details.

Reason: As insufficient detail of these matters has been submitted and in order to ensure a satisfactory relationship between the proposed development and adjacent

& Regulatory Services *J.B.M.*

development to protect views in and out of the development in the interests of visual amenity in accordance with Policy CS7.

5. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking and/or re-enacting that Order) no windows, other than those shown on the approved plans shall at any time be placed in the side facing elevations of the front and rear extensions hereby permitted without the grant of a separate planning permission from the Local Planning Authority.

Reason: To safeguard the amenities of the adjoining premises from overlooking and loss of privacy in accordance with Policy DM4 and DM11.

6. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking and/or re-enacting that Order) the proposed side facing first floor ensuite window shall be non-opening and glazed with obscure glass on parts below 1.7m as a minimum when measured from the floor level of the respective rooms, before occupation of that room, and shall be permanently maintained thereafter as non-opening and obscure glazed.

Reason: To safeguard the amenities of the adjoining premises from overlooking and loss of privacy in accordance with Policy DM4 and DM11.

INFORMATIVES

1. The local planning authority has worked positively and proactively with the applicant to resolve relevant matters to allow permission to be granted within the agreed extended timescale for the decision to be issued.

2. In accordance with Article 35 (DMPO 2015) some conditions have been highlighted (by a *) to make clear that they require approval from the local planning authority before any development begins. This is because the details need to be designed or works implemented before any other works start on the site or are of a nature that it would be impractical to consider after work has started.

3. i) The attention of the applicant is drawn to Section 59 of the Highways Act 1980, which enables the Highway Authority to recover expenses due to damage caused by extraordinary traffic.

ii) Any works affecting the Highway shall be in accordance with Reading Borough's Council's document "Guidance Notes for Activities on the Public Highway within the Borough of Reading". The applicant should note that compliance with this document is

mandatory and licences to work on the Highway will only be issued if the requirements contained within it are met. A copy can be obtained from the Council's website.

4. You are advised to avoid the use of the grass verges for development related activity, e.g. storage of materials, due to the resulting potential harm to important street trees.

5. Your attention is drawn to the requirement for submission of a Building Regulations application for the proposed development. Please contact Building Control on 0118 937 2449 for advice.

6. Complaints are commonly received about noise and dust caused by construction and demolition works, particularly working outside reasonable hours and smoke from bonfires associated with the burning of waste on site. The developer is reminded that construction and demolition associated with the approved development will be subject to environmental health law.

7. During the course of construction, the developer should take care to ensure that no part of this development (foundations, eaves, guttering, etc.) would encroach on, under or across the boundary line with the adjoining property, as the requisite Notice has not been served on the owner of that property. This permission does not confer any right of access onto land that is not under the developer's control. The developer should also be mindful of the obligations and requirements of the Party Wall Act (1996) details of which can be found at:

www.communities.gov.uk/publications/planningandbuilding/partywall

8. The Council introduced the Community Infrastructure Levy (CIL) on 1st April 2015. CIL is a way of securing financial contributions towards infrastructure from new development, and partially replaces the Section 106 planning obligation regime. It is a set charge per sq m of floorspace for different uses, and, unlike Section 106, it is non-negotiable. It applies to developments which result in at least one dwelling; where the space has not been in lawful use for 6 months within the last 3 years or 100 sq m of new floorspace. For this approved development the CIL status is NIL CHARGE.

NOTES

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Council to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against the Council's decision on the application you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against the Council's decision on your application, you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (or 12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.

If the above circumstances do not apply, any appeal must be made within the following time limits.

If this is a householder application and you want to appeal against the Council's decision then you must do so within 12 weeks of the date of this notice. If this is an advertisement application and you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of this notice. If you want to appeal against your local planning authority's decision for any other type of application (which is not a householder or advertisement application, or an application for a Certificate of Lawfulness) then you must do so within 6 months of the date of this notice.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Appeals must be made using a form which you can get from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN, tel. 0303 444 5000, or online at <https://acp.planninginspectorate.gov.uk/>

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Street Naming & Numbering

You must contact Reading Borough Council to:

- Name or number a new development
- Name a new street
- Get addresses for flat conversions
- Name or rename an existing building

Otherwise the following may occur:

- You will not have an official address or postcode. When your property goes through the official process it may be given a different address and Postcode than you are currently using.
- You may have difficulty receiving mail
- You may have problems when buying goods or services such as utilities and telecommunications
- The emergency services may have difficulty locating you.
- You may have problems accessing Council services such as Education, Parking Services and Electoral Registration.

The Council is responsible for assigning house names and numbers and street names. It is also responsible for updating the National Land and Property Gazetteer (NLPG) which is a list of addresses which meet a common standard (BS7666) used throughout the country.

When a new address or change of address is requested, the Council contacts Royal Mail who check the address on behalf of the Emergency Services, assign a postcode and add it to their Postal Address File (PAF). The PAF list is used by many companies and services to check addresses, authenticate transactions and order goods, as well as deliver mail, so it is in your interest for your address to be on that list. Royal Mail will not create an address until requested to do so by the Council.

How to apply:

Email us using streetnamingnumbering@reading.gov.uk

Or telephone us on 0118 9373737

What we need to complete your request:

For new addresses or flat conversions:

- Site layout plan containing plot numbers
- Location plan - No bigger than A3 size (hard copy, PDF, JPEG or AutoCAD) showing the site boundary, including the new development, together with surrounding buildings for reference
- Anticipated completion and occupation dates

For change of address:

- You must be, or have authorisation from, the owner to request a change of address.
- Floor plan of the existing property
- Reason for change

Once created, the Council informs various bodies of your new address including the Emergency Services, Council Tax, Land Registry and utility companies as well as adding it to the National Land and Property Gazetteer.

Please be advised that companies and services using the PAF file only update the addresses monthly, quarterly or even less frequently, therefore it may take a while for your address to be listed in some places. It will, however, appear on the Royal Mail website within a few days once it has been added to the live address file.

Reading Borough Council has no control over the frequency by which other organisations update their address files.
