Central Government sets an eight or thirteen week target for deciding the majority of planning applications. In Reading, there is a three week neighbour consultation period and larger applications are reported to Committee, normally held every 4 weeks. Where feasible, the Council is committed to seeking amendments to schemes in order to make them acceptable. If you have not had a decision by **28 August 2019** please contact me to check progress.

Please note that under the Access to Information Act all information on the application file is open to public inspection.

We have checked your submission and removed or redacted anything we believe may be sensitive data (see General Data Protection Regulations). However you should check what is viewable on our website and let us know immediately if you are unhappy with anything that can still be seen.

You can appeal to the Secretary of State for the Environment under section 78/section 195 of the Town and Country Planning Act 1990 if, by **28 August 2019** you are unhappy with the resulting decision, or the lack of a decision.

- you have not been given a decision in writing; or
- you have not agreed in writing to a request from us to extend the period in which the decision may be given
