Date: 18 February 2019

Head of Planning, Development
& Regulatory Services

Application At: 2 Lesford Road Reading RG1 6DX

Application No: 171373

Application type: Full Planning Approval

CONDITIONS & REASONS

1. The development hereby permitted shall begin within three years from the date of this planning permission.

Reason: to prevent an accumulation of unimplemented planning permissions, and in accordance with Section 91 of the Town & Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out in accordance with the following approved plans, received on 23rd April 2018:

Drawing No: 14-17-01 Rev C - Proposed Scheme for 3 bed dwelling; and

Drawing No: PRI21507-11A - Landscape Proposals, received on 14th June 2018.

Reason: because permission is granted in respect of the development as detailed in the approved plans only.

3. The materials to be used in the construction of the external surfaces of the development hereby permitted shall match those used on the existing building at 2 Lesford Road.

Reason: in the interests of ensuring that the new development appears in keeping with the existing building in accordance with Policy CS7.

4. All construction and demolition works shall be carried out in accordance with the following approved details:

Construction Method Statement, received on 26/06/2018

Construction Method Statement Plan, received on 14/08/2018

Email from agent, received on 14/08/2018

The measures within the approved documents shall be maintained and adhered to throughout the course of the development unless changes are agreed in advance and in writing by the Local Planning Authority.

Reason: in the interests of protecting the amenity of local land uses or neighbouring residents, the character of the area and highway safety. In accordance with Policy DM12.

5. The proposed dwelling hereby permitted shall not be occupied until all vehicle parking space(s) have been provided in accordance with the approved plan. The space(s) shall be kept available for parking at all times thereafter.

Date: 18 February 2019

Head of Planning, Development
& Regulatory Services

Reason: To ensure that the development is provided with adequate parking facilities to meet the needs of future occupiers and reduce the likelihood of roadside parking which could be a danger to other road users to accord with Policy CS24 & CS24 and Policy DM12.

6. No dwelling hereby permitted shall be occupied until the vehicle access serving it has been constructed in accordance with the approved drawing.

Reason: In the interests of road safety in accordance with Policy CS20 and Policy DM12.

7. No dwelling hereby permitted shall be occupied until the bicycle parking facility for that dwelling has been provided in accordance with the approved plan. The facility shall be kept available for bicycle parking at all times thereafter.

Reason: To encourage travel by sustainable alternatives to driving a motorcar in accordance with the Local Planning Authority's approved transport policies CS23 and CS24.

8. No dwelling shall be occupied until the bin storage facility shown on the approved plans has been provided and the bin storage facility shall be retained thereafter for use by occupiers of the dwelling at all times.

Reason: in the interests of the visual amenity of the area and to ensure that bins can be easily accessed when required in accordance with Policy CS7.

9. No construction, demolition or associated deliveries shall take place outside the hours of 0800hrs to 1800hrs Mondays to Fridays, and 0900hrs to 1300hrs on Saturdays, and not at any time on Sundays and Bank or Statutory Holidays without prior written approval from the Local Planning Authority.

Reason: to protect occupiers of nearby properties from unreasonable disturbance from works connected with implementing this permission in accordance with Policy DM4

10. No materials or green waste produced as a result of the clearance of the site, demolition works or construction works associated with the development hereby approved shall be burnt on site.

Reason: In the interests of air quality, the amenity of neighbours, and to promote more sustainable approaches to waste management in accordance with Policies CS34 and CS2.

11. All construction and demolition works shall be carried out in accordance with the Construction Method Statement, received on 26/06/2018 which specifies the provisions to be made for the control of noise and dust coming from the site during demolition and construction. The developer shall ensure that contractors working on the site are aware of the measures described in the Construction Method Statement and that these measures are fully implemented and followed until the development is completed.

Date: 18 February 2019

Head of Planning, Development
& Regulatory Services

Reason: To protect the occupants of nearby residential properties from noise and dust during the development of the site in accordance with Policy CS34 and Policy DM4

12. Notwithstanding the provisions of Part 1, Schedule 2, Article 3, of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any order revoking or re-enacting that Order with or without modification), no development within Class A (enlargement, improvement or other alteration), Class B (enlargement of a dwellinghouse consisting of an addition or alteration to its roof), Class D (erection or construction of a porch outside any external door) or Class E (building or enclosure, swimming or other pool required for a purpose incidental to the enjoyment of the dwellinghouse) shall be carried out within the curtilage of the dwelling without express planning permission from the Local Planning Authority.

Reason: Due to the constrained nature of the site and as unrestricted development could harm the amenities of neighbouring properties through overlooking or being overbearing and harm the appearance of the main house and the area in general and should therefore be controlled in accordance with Policies CS7 and DM4 and DM9.

13. All hard and soft landscape works shall be carried out in accordance with the approved details, received on 14th June 2018:

Drawing No: PRI21507-11A - Landscape Proposals

to a reasonable standard in accordance with the relevant recommendations of appropriate British Standards or other recognised Codes of Good Practice. The works shall be carried out prior to the occupation of any part of the development or in accordance with the timetable agreed with the Local Planning Authority.

Reason: in order to enhance the appearance of the development and to comply with Policy CS7

14. All planted materials shall be maintained for five years and any trees or plants removed, dying, being severely damaged or becoming seriously diseased within 5 years of planting shall be replaced with others of similar size and species to those originally required to be planted. Reason: in the interests of the character and appearance of the new development and in accordance with Policy CS7

INFORMATIVES

1. The local planning authority has worked positively and proactively with the applicant to resolve relevant matters to allow permission to be granted within the prescribed target or agreed extended timescale for the decision to be issued.

Date: 18 February 2019

Head of Planning, Development
& Regulatory Services

2. i) The attention of the applicant is drawn to Section 59 of the Highways Act 1980, which enables the Highway Authority to recover expenses due to damage caused by extraordinary traffic.
ii) Any works affecting the Highway shall be in accordance with Reading Borough's Council's document "Guidance Notes for Activities on the Public Highway within the Borough of Reading". The applicant should note that compliance with this document is mandatory and licences to work on the Highway will only be issued if the requirements contained within it are met. A copy can be obtained from the Council's website.
3. You are advised to avoid the use of the grass verges for development related activity, e.g. storage of materials, due to the resulting potential harm to important street trees.
4. Your attention is drawn to the terms and conditions of this permission. Any development which is carried out but which differs materially from the approved plans and details, or does not comply with any condition(s) or planning obligation(s) attached to the permission may result in the Council taking action to remedy the breach of planning control. If you are in any doubt please contact the Council.
5. Your attention is drawn to the requirement for submission of a Building Regulations application for the proposed development. Please contact Building Control on 0118 937 2449 for advice.
6. Complaints are commonly received about noise and dust caused by construction and demolition works, particularly working outside reasonable hours and smoke from bonfires associated with the burning of waste on site. The developer is reminded that construction and demolition associated with the approved development will be subject to environmental health law.
7. During the course of construction, the developer should take care to ensure that no part of this development (foundations, eaves, guttering, etc.) would encroach on, under or across the boundary line with the adjoining property, as the requisite Notice has not been served on the owner of that property. This permission does not confer any right of access onto land that is not under the developer's control. The developer should also be mindful of the obligations and requirements of the Party Wall Act (1996) details of which can be found at:
www.communities.gov.uk/publications/planningandbuilding/partywall
8. The Council introduced the Community Infrastructure Levy (CIL) on 1st April 2015. CIL is a way of securing financial contributions towards infrastructure from new development, and partially replaces the Section 106 planning obligation regime. It is a set charge per sq m of floorspace for different uses, and, unlike Section 106, it is non-

negotiable. It applies to developments which result in at least one dwelling; where the space has not been in lawful use for 6 months within the last 3 years or 100 sq m of new floorspace. For this approved development the CIL status is CHARGEABLE. If chargeable you will be sent a CIL Liability Notice with the calculated amount soon. CIL becomes payable on commencement of the development or by instalments.

For more information go to:

9. A S106 Agreement relates to this planning permission to secure an affordable housing contribution.

10. The applicant is advised that there is a restrictive covenant that applies to land that was sold by the Council to a former owner of 2 Lesford Road which prevents the development of the land in any way without the consent of the Council. It should be noted that this consent is needed in addition to the statutory Planning Consent required from the Local Planning Authority and the applicant is advised to contact the Property, Estates & Valuation Section 0118 937 3787.

NOTES

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Council to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against the Council's decision on the application you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against the Council's decision on your application, you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (or 12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.

If the above circumstances do not apply, any appeal must be made within the following time limits.

If this is a householder application and you want to appeal against the Council's decision then you must do so within 12 weeks of the date of this notice. If this is an advertisement application and you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of this notice. If you want to appeal against your local planning authority's decision for any other type of application (which is not a householder or advertisement application, or an application for a Certificate of Lawfulness) then you must do so within 6 months of the date of this notice.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Appeals must be made using a form which you can get from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN, tel. 0303 444 5000, or online at www.planningportal.gov.uk/pcs.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Street Naming & Numbering

You must contact Reading Borough Council to:

- Name or number a new development
- Name a new street
- Get addresses for flat conversions
- Name or rename an existing building

Otherwise the following may occur:

- You will not have an official address or postcode. When your property goes through the official process it may be given a different address and Postcode than you are currently using.
- You may have difficulty receiving mail
- You may have problems when buying goods or services such as utilities and telecommunications
- The emergency services may have difficulty locating you.
- You may have problems accessing Council services such as Education, Parking Services and Electoral Registration.

The Council is responsible for assigning house names and numbers and street names. It is also responsible for updating the National Land and Property Gazetteer (NLPG) which is a list of addresses which meet a common standard (BS7666) used throughout the country.

When a new address or change of address is requested, the Council contacts Royal Mail who check the address on behalf of the Emergency Services, assign a postcode and add it to their Postal Address File (PAF). The PAF list is used by many companies and services to check addresses, authenticate transactions and order goods, as well as deliver mail, so it is in your interest for your address to be on that list. Royal Mail will not create an address until requested to do so by the Council.

How to apply:

Email us using streetnamingnumbering@reading.gov.uk

Or telephone us on 0118 9373737

What we need to complete your request:

For new addresses or flat conversions:

- Site layout plan containing plot numbers
- Location plan - No bigger than A3 size (hard copy, PDF, JPEG or AutoCAD) showing the site boundary, including the new development, together with surrounding buildings for reference
- Anticipated completion and occupation dates

For change of address:

- You must be, or have authorisation from, the owner to request a change of address.
- Floor plan of the existing property
- Reason for change

Once created, the Council informs various bodies of your new address including the Emergency Services, Council Tax, Land Registry and utility companies as well as adding it to the National Land and Property Gazetteer.

Please be advised that companies and services using the PAF file only update the addresses monthly, quarterly or even less frequently, therefore it may take a while for your address to be listed in some places. It will, however, appear on the Royal Mail website within a few days once it has been added to the live address file.

Reading Borough Council has no control over the frequency by which other organisations update their address files.
