

**TOWN AND COUNTRY PLANNING ACT 1990
PLANNING AND COMPENSATION ACT 1991
THE TOWN & COUNTRY PLANNING
(DEVELOPMENT MANAGEMENT PROCEDURE) (ENGLAND) ORDER 2015**

APPLICATION FOR FULL PLANNING PERMISSION

To: Barton Willmore
The Blade
Abbey Square
Reading
RG1 3BE

Application No: 181296
Application type: Full Planning Approval

Applicant: Idream Reading Ltd

READING BOROUGH COUNCIL as Local Planning Authority **GRANT FULL** planning permission for the following development in accordance with the plans and supporting information submitted in connection with this application.

Proposal: Proposed change of use of first, second and third floor from office use (B1a) to serviced apartment use (use class C1) comprising 15 x 1 bed units and 4 x 2 bed units

At: 17-27 Queen Victoria Street Reading RG1 1SY

Subject to such conditions and for such reasons as may be attached

**OTHER STATUTORY CONSENTS MAY BE REQUIRED
PLEASE READ THE NOTES ISSUED WITH THIS DECISION NOTICE**

Date: 15.01.2019

Head of Planning, Development & Regulatory Services 

Application At: 17-27 Queen Victoria Street Reading RG1 1SY

Application No: 181296

Application type: Full Planning Approval

CONDITIONS & REASONS

1. The development hereby permitted shall begin no later than three years from the date of this planning permission.

Reason: to prevent an accumulation of unimplemented planning permissions and in accordance with Section 91 of the Town & Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out in accordance with the following approved plans:

DETAILS01 to DETAILS05

PR-A1.07.1 to PR-A1.07.4

Received by the Local Planning Authority on 26th July 2018

Reason: because permission is granted in respect of the development as detailed in the approved plans only.

3. Prior to first occupation of the development hereby permitted glazing and ventilation shall be installed in accordance with the approved specifications set out in the RBA Acoustics report ref.7845/EBF/Rev1 dated 6th July and received by the Local Planning Authority on 26th July 2018. The approved glazing and ventilation measures shall be retained thereafter.

Reason: to protect the amenity of future occupants of the proposed development in accordance with Policies DM4 and CS34.

4. No mechanical plant shall be installed until a noise assessment of the proposed mechanical plant has been submitted and approved by the Local Planning Authority. The assessment shall be carried out in accordance with BS4141:2014 methodology. The predicted specific sound level (LAeq,TR) as measured at a point 1 metre external to sensitive facades shall be at least 10dB below the existing background sound level, LA90,T when all plant/equipment (or any part of it) is in operation. The predicted rating level, LAr,Tr (specific sound level plus any adjustment for the characteristic features of the sound) as measured at a point 1 metre external to sensitive facades shall not exceed the existing background sound level, LA90,T when all plant/equipment (or any part of it) is in operation. The plant shall thereafter only be installed in accordance with the assessment.

Reason: To safeguard the amenities of the adjoining premises and the area generally, in accordance with Policy CS34 of the Reading Borough LDF Core Strategy 2008 (Altered 2015) and Policy DM4 of the Reading Borough LDF Sites and Detailed Policies Document 2012 (Altered 2015).

5. Before first occupation of the development hereby permitted, details of the proposed bin store areas (layout and appearance) to the rear of the site, together with a management plan for the upkeep and maintenance of the bin store areas shall be submitted to and approved in writing by the Local Planning Authority. Thereafter the bin store areas shall be retained in accordance with the approved details and shall be available for use by the occupiers of the serviced apartments hereby permitted at all times. The bin store areas shall not thereafter be used for any purpose other than bin storage.

Reason: To ensure that adequate provision is made for the storage and collection of refuse in accordance with Core Strategy Policy CS2 and Sites and Detailed Policies document Policy DM12.

Date: 15.01.2019

Head of Planning, Development & Regulatory Services *HE*

6. No development shall take place, including any works of demolition, until a Construction Method Statement has been submitted to and been approved in writing by the local planning authority to provide for:

- space where vehicles of site operatives and visitors can be parked with details of how site operatives and visitors will be required to make use of the parking area provided
- location on site for storage of plant and materials used in constructing the development
- the erection and maintenance (including removal of any graffiti or fly posters) of security hoarding around the site
- any footpath closures or road closures needed during construction.

The measures within the approved Construction Method Statement shall be maintained and adhered to throughout the course of the development unless changes are agreed in advance and in writing by the local planning authority.

Reason: in the interests of protecting the amenity of local land uses or neighbouring residents, the character of the area and highway safety in accordance with Policy DM12.

7. The development hereby permitted shall not be carried out other than in accordance with the details set out in the CES engineering sustainability Energy (SAP) Analysis Report dated July 2018 and received by the Local Planning Authority on 26th July 2017. The development shall be completed in accordance with the above details no later than first occupation of the development and retained/maintained as such thereafter.

Reason: To ensure that the development is carried out in accordance with sustainable building standards in accordance with Policy CS1.

INFORMATIVES

1. Your attention is drawn to the requirement for submission of a Building Regulations application for the proposed development. Please contact RBC Building Control on 0118 937 2449 for advice.

2. The Local Planning Authority has worked positively and proactively with the applicant to resolve relevant matters to allow permission to be granted within the prescribed target or agreed extended timescale for the decision to be issued.

3. Listed building consent ref. 181297 is associated with this planning permission. A s016 legal agreement also applies.

4. In accordance with Article 35 (DMPO 2015) some conditions have been highlighted to make clear that they require approval from the Local Planning Authority before any development begins. This is because the details need to be designed or works

Working better with you

implemented before any other works start on the site or are of a nature that it would be impractical to consider after work has started.

5. Complaints are commonly received about noise and dust caused by construction and demolition works, particularly working outside reasonable hours and smoke from bonfires associated with the burning of waste on site. The developer is reminded that construction and demolition associated with the approved development will be subject to environmental health law.

6. Your attention is drawn to the terms and conditions of this permission. Any development which is carried out but which differs materially from the approved plans and details, or does not comply with any conditions or planning obligations attached to the permission may result in the Council taking action to remedy the breach of planning control. If you are in any doubt please contact the Council.

7. The Council introduced the Community Infrastructure Levy (CIL) on 1st April 2015. CIL is a way of securing financial contributions towards infrastructure from new development, and partially replaces the Section 106 planning obligation regime. It is a set charge per sq m of floorspace for different uses, and, unlike Section 106, it is non-negotiable. It applies to developments which result in at least one dwelling; where the space has not been in lawful use for 6 months within the last 3 years or 100 sq m of new floorspace. If chargeable you will be sent a CIL Liability Notice with the calculated amount soon. CIL becomes payable on commencement of the development or by instalments.

For more information go to:

NOTES

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Council to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against the Council's decision on the application you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against the Council's decision on your application, you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (or 12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.

If the above circumstances do not apply, any appeal must be made within the following time limits.

If this is a householder application and you want to appeal against the Council's decision then you must do so within 12 weeks of the date of this notice. If this is an advertisement application and you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of this notice. If you want to appeal against your local planning authority's decision for any other type of application (which is not a householder or advertisement application, or an application for a Certificate of Lawfulness) then you must do so within 6 months of the date of this notice.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Appeals must be made using a form which you can get from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN, tel. 0303 444 5000, or online at <https://acp.planninginspectorate.gov.uk/>

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Street Naming & Numbering

You must contact Reading Borough Council to:

- Name or number a new development
- Name a new street
- Get addresses for flat conversions
- Name or rename an existing building

Otherwise the following may occur:

- You will not have an official address or postcode. When your property goes through the official process it may be given a different address and Postcode than you are currently using.
- You may have difficulty receiving mail
- You may have problems when buying goods or services such as utilities and telecommunications
- The emergency services may have difficulty locating you.
- You may have problems accessing Council services such as Education, Parking Services and Electoral Registration.

The Council is responsible for assigning house names and numbers and street names. It is also responsible for updating the National Land and Property Gazetteer (NLPG) which is a list of addresses which meet a common standard (BS7666) used throughout the country.

When a new address or change of address is requested, the Council contacts Royal Mail who check the address on behalf of the Emergency Services, assign a postcode and add it to their Postal Address File (PAF). The PAF list is used by many companies and services to check addresses, authenticate transactions and order goods, as well as deliver mail, so it is in your interest for your address to be on that list. Royal Mail will not create an address until requested to do so by the Council.

How to apply:

Email us using streetnamingnumbering@reading.gov.uk

Or telephone us on 0118 9373737

What we need to complete your request:

For new addresses or flat conversions:

- Site layout plan containing plot numbers
- Location plan - No bigger than A3 size (hard copy, PDF, JPEG or AutoCAD) showing the site boundary, including the new development, together with surrounding buildings for reference
- Anticipated completion and occupation dates

For change of address:

- You must be, or have authorisation from, the owner to request a change of address.
- Floor plan of the existing property
- Reason for change

Once created, the Council informs various bodies of your new address including the Emergency Services, Council Tax, Land Registry and utility companies as well as adding it to the National Land and Property Gazetteer.

Please be advised that companies and services using the PAF file only update the addresses monthly, quarterly or even less frequently, therefore it may take a while for your address to be listed in some places. It will, however, appear on the Royal Mail website within a few days once it has been added to the live address file.

Reading Borough Council has no control over the frequency by which other organisations update their address files.
