Dear Ms Walters,

TOWN AND COUNTRY PLANNING ACT 1990

Application Reference: 181883

Application type: Approval of Conditions

Address: Site Of Worton Grange Imperial Way Reading

Proposal: Application for approval of details reserved by condition 17 of 171568 for car showrooms - mechanical plant details to be approved.

I refer to your application as described above.

Following the submission on 21st November of an amended version of the Plant Noise Breakout Assessment, which now incorporates confirmation that the target plant noise limit will be achieved with the proposed acoustic enclosure, in addition to the specifications for the proposed acoustic enclosure sent in on 12th November I can confirm that the information submitted is acceptable to allow the discharge of this planning condition.

Full compliance will require the approved noise attenuation measures to be installed and appropriately maintained as detailed in the approved documents.

Should you wish to discuss this matter further, please contact me by email or the direct line as above.

Yours sincerely

Julie Williams
Area Planning Manager
