

**TOWN AND COUNTRY PLANNING ACT 1990
PLANNING AND COMPENSATION ACT 1991
THE TOWN & COUNTRY PLANNING
(DEVELOPMENT MANAGEMENT PROCEDURE) (ENGLAND) ORDER 2015**

APPLICATION FOR FULL PLANNING PERMISSION

To: Independent
14 Verbena Close
Winnersh
RG41 5ST

Application No: 180235
Application type: Full Planning Approval

Applicant: Mr Sajad Bashier

READING BOROUGH COUNCIL as Local Planning Authority **GRANT FULL** planning permission for the following development in accordance with the plans and supporting information submitted in connection with this application.

Proposal: Creation of new self-contained flat at second floor level and physical alterations, additions to rear ground, first and second floors (minor amendments to previous permission 162283)

At: 576 Oxford Road Reading RG30 1EG

Subject to such conditions and for such reasons as may be attached

**OTHER STATUTORY CONSENTS MAY BE REQUIRED
PLEASE READ THE NOTES ISSUED WITH THIS DECISION NOTICE**

Date: 11 April 2018

Head of Planning, Development
& Regulatory Services

AA

Application At: 576 Oxford Road Reading RG30 1EG

Application No: 180235

Application type: Full Planning Approval

CONDITIONS & REASONS

1. The development hereby permitted shall begin within three years from the date of this planning permission.

Reason: to prevent an accumulation of unimplemented planning permissions, and in accordance with Section 91 of the Town & Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2. The materials to be used in the construction of the external surfaces of the development hereby permitted shall match those used on the existing building.

Reason: in the interests of ensuring that the new development appears in keeping with the existing building in accordance with Policy CS7

3. The development hereby permitted shall be carried out in accordance with the following approved plans, received on 9th April 2018: Drawing No: PL/A379/03 Rev B - Proposed Floor Plan

Drawing No: PL/A379/04 Rev B - Proposed Elevations

Reason: because permission is granted in respect of the development as detailed in the approved plans only.

4. No residential unit hereby approved shall be occupied until the Council has been notified in writing of the full postal address of the unit. The notification shall be sent to the Council's Planning Manager quoting the application reference specified on this Notice.

Reason: In order that the Council can update its records to ensure that parking permits are not automatically issued to the occupiers of the new residential units hereby approved, and thus ensure that the development does not harm the existing amenities of the occupiers of neighbouring residential properties by adding to the already high level of on street car parking in the area in accordance with Policy CS24 and Policy DM12.

5. Prior to any agreement being entered into for a new occupation of, or transfer of any interest in, the residential unit(s) hereby approved, the prospective occupier/transferee shall be informed that there is no automatic entitlement to a car parking permit for any existing residential parking permit schemes and future schemes

Date: 11 April 2018

AA

Head of Planning, Development
& Regulatory Services

on adjacent and surrounding streets. All material used for advertising or marketing the residential unit(s) for letting or sale shall make it clear to prospective tenants and occupiers that they will not be automatically entitled to a parking permit, but any application for a parking permit will be considered on its merits.

Reason: In order that the prospective occupiers are made aware of the fact that while they can submit an application they will not be automatically entitled to an on-street car parking permit. In the interests of the proper management of parking, and to ensure that the development does not harm the existing amenities of the occupiers of neighbouring residential properties by adding to the already high level of on street car parking in the area in accordance with Policy CS24 and Policy DM12.

6. (a) No development shall take place until a plan has been submitted to and been approved in writing by the Local Planning Authority to show how bicycle parking facilities can be provided on site.

(b) No building or use hereby permitted shall be occupied or the use commenced until the bicycle parking facility for that building or use has been completed as shown on the approved plan.

(c) Thereafter the bicycle parking facility shall be kept free of obstruction and available for the approved use at all times.

Reason: To encourage travel by sustainable alternatives to driving a motorcar in accordance with the Local Planning Authority's approved transport policies CS23 and CS24.

7. No development shall take place until a detailed scheme, informed by an assessment of the current noise environment, for protecting the dwellings from the external noise environment of the area has been submitted to and approved, in writing, by the Local Planning Authority. The scheme itself shall be designed, specified and constructed so that the sound insulation performance of the structure and the layout of the dwellings are such that the indoor ambient noise levels do not exceed the values detailed in Table 4 of BS 8233:2014. Where opening windows will lead to an internal noise level increase of 5 dBA or greater above BS 8233:2014 recommended internal levels, the scheme shall include provision of alternative mechanical ventilation with minimum performance equivalent to a mechanical heat recovery (MVHR) system with cool air bypass as an alternative means of cooling and ventilation. Noise from the system should not result in BS8233 internal levels being exceeded. Thereafter, the development shall not be carried out other than in accordance with the approved scheme which shall be completed before any part of the accommodation hereby approved is occupied, unless the Local Planning Authority otherwise agrees in writing.

Reason: to protect the amenity of future occupants of the proposed development and to comply with Policies CS34 (Pollution and Water Resources) and DM4 (Safeguarding Amenity).

Date: 11 April 2018

AA

Head of Planning, Development
& Regulatory Services

8. The applicant must submit a scheme demonstrating sufficient mitigation to protect the dwellings from poor air quality. The submitted information must be approved, in writing, by the Local Planning Authority prior to the occupation of the development.

Reason: to protect the health of future occupants of the proposed development and to comply with Policies CS34 (Pollution and Water Resources) and DM4 (Safeguarding Amenity).

9. No development shall take place before a scheme has been submitted to and approved in writing by the Local Planning Authority, which specifies the provisions to be made for the control of noise and dust emanating from the site during the demolition and construction phase. Thereafter, the use shall not commence until the approved scheme has been fully implemented.

Reason: To protect the occupants of nearby residential properties from noise and dust during the development of the site and to comply with Policies CS34 (Pollution and Water Resources) and DM4 (Safeguarding Amenity).

10. The hours of construction, demolition and associated deliveries shall be restricted to the hours of 08:00hrs to 18:00hrs Mondays to Fridays, and 09:00hrs to 13:00hrs on Saturdays, and not at any time on Sundays and Bank or Statutory Holidays without prior approval from the Local Planning Authority.

Reason: In the interests of the amenities of nearby residents and to comply with Policies CS34 (Pollution and Water Resources) and DM4 (Safeguarding Amenity).

11. No materials or green waste produced as a result of the clearance of the site, demolition works or construction works associated with the development hereby approved shall be burnt on site.

Reason: In the interests of air quality, the amenity of neighbours, and to promote more sustainable approaches to waste management in accordance with Policies CS34 (Pollution and Water Resources) and CS2 (Waste Minimisation) of the Reading Borough LDF Core Strategy 2008

12. The dwellings hereby approved shall not be occupied until the patterned bargeboards as shown on the existing elevations have been installed on the rear elevation of the three storey rear extension. The patterned bargeboards shall be maintained and retained thereafter.

Reason: In the interests of the character and appearance of the site and its surroundings, and to comply with Core Strategy policy CS7.

Date: 11 April 2018

INFORMATIVES

1. The local planning authority has worked positively and proactively with the applicant to resolve relevant matters to allow permission to be granted within the prescribed target or agreed extended timescale for the decision to be issued.
2. In accordance with Article 35 (DMPO 2015) some conditions have been highlighted to make clear that they require approval from the local planning authority before any development begins. This is because the details need to be designed or works implemented before any other works start on the site or are of a nature that it would be impractical to consider after work has started.
3. i) The attention of the applicant is drawn to Section 59 of the Highways Act 1980, which enables the Highway Authority to recover expenses due to damage caused by extraordinary traffic.
ii) Any works affecting the Highway shall be in accordance with Reading Borough's Council's document "Guidance Notes for Activities on the Public Highway within the Borough of Reading". The applicant should note that compliance with this document is mandatory and licences to work on the Highway will only be issued if the requirements contained within it are met. A copy can be obtained from the Council's website.
4. The occupiers of the residential unit(s) will not be automatically entitled to an on-street car parking permit. Current and new occupiers should be informed of this and be advised to find out more about parking permits on the Council's website. There is already a high level of on street car parking in the area and the site is located close to local facilities, with frequent public transport services on nearby roads.
5. Your attention is drawn to the terms and conditions of this permission. Any development which is carried out but which differs materially from the approved plans and details, or does not comply with any condition(s) or planning obligation(s) attached to the permission may result in the Council taking action to remedy the breach of planning control. If you are in any doubt please contact the Council.
6. Your attention is drawn to the requirement for submission of a Building Regulations application for the proposed development. Please contact Building Control on 0118 937 2449 for advice.
7. Complaints are commonly received about noise and dust caused by construction and demolition works, particularly working outside reasonable hours and smoke from bonfires associated with the burning of waste on site. The developer is reminded that construction and demolition associated with the approved development will be subject to environmental health law.

Date: 11 April 2018

& Regulatory Services

8. During the course of construction, the developer should take care to ensure that no part of this development (foundations, eaves, guttering, etc.) would encroach on, under or across the boundary line with the adjoining property, as the requisite Notice has not been served on the owner of that property. This permission does not confer any right of access onto land that is not under the developer's control. The developer should also be mindful of the obligations and requirements of the Party Wall Act (1996) details of which can be found at:

www.communities.gov.uk/publications/planningandbuilding/partywall

9. To minimise the disturbance by noise of future residential occupiers of the flats and its effect on neighbouring residents, residential accommodation must be designed and constructed or converted so as to achieve the insulation requirements set out in Building Regulations Approved Document E.

10. The Council introduced the Community Infrastructure Levy (CIL) on 1st April 2015. CIL is a way of securing financial contributions towards infrastructure from new development, and partially replaces the Section 106 planning obligation regime. It is a set charge per sq m of floorspace for different uses, and, unlike Section 106, it is non-negotiable. It applies to developments which result in at least one dwelling; where the space has not been in lawful use for 6 months within the last 3 years or 100 sq m of new floorspace. For this approved development the CIL status is CHARGEABLE. If chargeable you will be sent a CIL Liability Notice with the calculated amount soon. CIL becomes payable on commencement of the development or by instalments.

For more information go to:

NOTES

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Council to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against the Council's decision on the application you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against the Council's decision on your application, you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (or 12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.

If the above circumstances do not apply, any appeal must be made within the following time limits.

If this is a householder application and you want to appeal against the Council's decision then you must do so within 12 weeks of the date of this notice. If this is an advertisement application and you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of this notice. If you want to appeal against your local planning authority's decision for any other type of application (which is not a householder or advertisement application, or an application for a Certificate of Lawfulness) then you must do so within 6 months of the date of this notice.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Appeals must be made using a form which you can get from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN, tel. 0303 444 5000, or online at www.planningportal.gov.uk/pcs.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Street Naming & Numbering

You must contact Reading Borough Council to:

- Name or number a new development
- Name a new street
- Get addresses for flat conversions
- Name or rename an existing building

Otherwise the following may occur:

- You will not have an official address or postcode. When your property goes through the official process it may be given a different address and Postcode than you are currently using.
- You may have difficulty receiving mail
- You may have problems when buying goods or services such as utilities and telecommunications
- The emergency services may have difficulty locating you.
- You may have problems accessing Council services such as Education, Parking Services and Electoral Registration.

The Council is responsible for assigning house names and numbers and street names. It is also responsible for updating the National Land and Property Gazetteer (NLPG) which is a list of addresses which meet a common standard (BS7666) used throughout the country.

When a new address or change of address is requested, the Council contacts Royal Mail who check the address on behalf of the Emergency Services, assign a postcode and add it to their Postal Address File (PAF). The PAF list is used by many companies and services to check addresses, authenticate transactions and order goods, as well as deliver mail, so it is in your interest for your address to be on that list. Royal Mail will not create an address until requested to do so by the Council.

How to apply:

Email us using streetnamingnumbering@reading.gov.uk

Or telephone us on 0118 9373737

What we need to complete your request:

For new addresses or flat conversions:

- Site layout plan containing plot numbers
- Location plan - No bigger than A3 size (hard copy, PDF, JPEG or AutoCAD) showing the site boundary, including the new development, together with surrounding buildings for reference
- Anticipated completion and occupation dates

For change of address:

- You must be, or have authorisation from, the owner to request a change of address.
- Floor plan of the existing property
- Reason for change

Once created, the Council informs various bodies of your new address including the Emergency Services, Council Tax, Land Registry and utility companies as well as adding it to the National Land and Property Gazetteer.

Please be advised that companies and services using the PAF file only update the addresses monthly, quarterly or even less frequently, therefore it may take a while for your address to be listed in some places. It will, however, appear on the Royal Mail website within a few days once it has been added to the live address file.

Reading Borough Council has no control over the frequency by which other organisations update their address files.
