Proposal 4

Proposed Land Line Plan

as shown
@ A4 Scale

The Screen will be a Maga6 and with stand at 3 metres high, the screen will be fully IP65 rated with sealed cabinets and no cables showing or accessible,

It will have an auto dimming switch so to reduce the brightness in lower light and night

This will be set at 45% for the daylight hours, 25% at nights

Please Note that the screen illustrations are not to scale nor exact frame design they are of visual purposes only.
