Application At: 32 Landrake Crescent Reading RG2 8AJ

Application No: 181873

Application type: HPA Householder Prior Approval - Class A, Part 1 GPDO 2015

In accordance with Class A, Part 1, Schedule 2 of the Town and Country Planning (General Permitted Development) Order 2015:

1. The development shall be carried out in accordance with the information submitted, namely:
 - a) The written description of the proposed development
 - b) The plan indicating the site and showing the proposed development unless otherwise agreed by the Local Planning Authority in writing.
2. The development shall be completed on or before 30th May 2019
3. The developer shall notify the Local Planning Authority of the completion of the development as soon as reasonably practicable after completion in writing, stating the name of the developer, the address or location of the development, and the date of completion.
4. The materials used in any exterior work (other than materials used in the construction of a conservatory) shall be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse.

INFORMATIVES

1. Enforcement action may be taken if the development is not completed by 30th May 2019, or if the development is not completed in accordance with the submitted details and in accordance with all other requirements of Class A.
2. This notice relates to proposed development in accordance with A.1.(g) of Part 1 of Schedule 2 to The Town and Country (General Permitted Development) Order 2015 (the GPDO). It does not confirm that the proposal would constitute Permitted Development in accordance with the other conditions and limitations in Part 1, neither does it certify that the proposed development would be lawful within the meaning of Section 191 of the Town and Country Planning Act 1990.
3. Permitted Development Rights under Part 1 apply only to dwelling houses as defined in the GPDO. Your property will not benefit from Permitted Development Rights and Planning Permission will be required if it contains one or more flats or if it is in non-residential use, or only partly in residential use combined with some other use.

5. Complaints about construction

Complaints are commonly received about noise and dust caused by construction and demolition works, particularly working outside reasonable hours and smoke from bonfires associated with the burning of waste on site. The developer is reminded that construction and demolition associated with the approved development will be subject to environmental health law.
