

FORM AND APPEARANCE

- Glass / aluminium bronzed railing
- Light textured smooth finish
- Panelised appearance to sub-divide mass
- Proportion of fenestration to match surrounding listed buildings
- Option for 'extruded balconies' protected and directed views
- Deep reveals for privacy to occupants and adjacent buildings
- Feature landscaping to soften edges and intergate the proposal into the street
- Positioned 'on' existing ground
- Intimate terraces for higher value apartments
- Sharp and precise form to respect surorundings
