1. Scaling from a print of this drawing will only give approximate dimensions due to inherent inaccuracies in printed media. Where accurate dimensions are required please refer to the Architect.

2. Proposed works are based upon survey information provided by others. The Architect is not responsible for discrepancies in survey information.

3. All dimensions to be checked on site prior to commencement of any works, and/or preparation of any shop drawings.

4. All co-ordinates, levels, dimensions and discrepencies are to be reported to the architect.

5. All temporary works to be responsibility of the contractor.

6. This drawing to be read in conjunction with all relevant Architect's drawings, specifications and other Consultant's information.
