Easy Fit - Half Width Shelf

- **Our bike storage units have been tried and tested** - by the UK's leading [bike magazines](https://www.asgardsss.co.uk/asgard/admin/Uploads/Cycle_Storage_Review.jpg) (https://www.asgardsss.co.uk/asgard/admin/Uploads/Cycle_Storage_Review.jpg).
- **As with all our products this all metal bike shed** is made from strong, thick, [galvanised steel](https://www.asgardsss.co.uk/why-are-metal-sheds-better-than-wooden-sheds) (<https://www.asgardsss.co.uk/why-are-metal-sheds-better-than-wooden-sheds>).
- **Designed and made in the UK** - **free 10 Year Warranty** (<https://www.asgardsss.co.uk/10-year-warranty-on-asgard-metal-sheds>)- a quality product, built to last.

- **Our Asgard ventilation system (/metal-sheds-and-condensation-info)** - minimizes the build up of condensation inside the bike shed.
- **Fitted with our tough three point bike shed lock system** (<https://www.asgardsss.co.uk/metal-shed-3-point-locking>) - secure bike storage.
- Offering excellent bike security as seen [in this clip](http://youtu.be/Yen7WA16arM) (<http://youtu.be/Yen7WA16arM>).
- **Pick resistant (/metal-shed-3-point-locking) Euro cylinder lock** - an [excellent shed locking system](http://youtu.be/ge0I4Vkwml0) (<http://youtu.be/ge0I4Vkwml0>).
- **Large double door access** - easy to wheel your bikes in and out.
- **Supplied with two keys** - additional keys can be purchased on request.
- **Door handing can be changed by the user to suit your location** - total flexibility!
- **Integral weather guard (/metal-sheds-and-condensation-info)** - keeping even the strongest wind and rain out.
- **Full metal base (/metal-shed-base)** - complete with [free fixings for securing the bike shed to your concrete base \(/how-to-bolt-an-asgard-to-the-ground\)](#).
- **An additional wooden subfloor** (https://www.asgardsss.co.uk/detail.php?pro_code=Floor1) is also available - protect the built in metal floor from scratches.

- **Asgard extra strong shelves** ([/easy-fit-half-width-shelf](#))- can be fitted to hold your bike equipment.
- **Our extra strong bike hook packs (/universal-hooks)** - are great for hanging helmets and back packs.
- **Self assembly (/building-your-own-asgard-shed)** - full step by step instructions supplied.
- **Our own assembly service (/metal-shed-installation-service) is available** - bike shed building using our own engineers.
- **Screw ends are hidden (/secure-metal-storage-uk-made)** - no tyre shredding, sharp edges inside Asgard bike storage.
- **A choice of stylish colours (/metal-shed-colours)** - well made, great looking bike store.
- **Maintenance free bike storage (/metal-shed-care-and-maintenance)** - no rotting or regular repainting.
- **Free UK Mainland Delivery (/metal-shed-delivery)*** - to most of the UK.

**The number of bikes you can store will vary depending on the size and style of bike used.
