Dear Katherine,

TOWN AND COUNTRY PLANNING ACT 1990

Application Reference: 180531

Application type: Approval of Conditions

Address: Green Park Station

Proposal: Part discharge of condition 19 of planning permission 141944 with regard to interchange

I refer to your application as described above.

Thank you for your application for discharge of condition 19 of planning permission 141944. The following documents, as received 26th March 2018, are approved:

Condition 19 - Site Security Cameras and other Security and Anti- Terrorism Measures

- Traffic Signs Schedule - Drawing no: 36382/2011/1200/03, Rev C1
- Proposed Interchange: Traffic Signs - Drawing no: 36382/2011/1200/02 Rev C1
- Proposed Interchange CCTV Design - Drawing no: 36382/2011/1300/03, Rev C1
- Planting Plan - Drawing no: 36382/2002/3000/01, Rev M
- Proposed Interchange Landscape Details - Drawing no: 36382/2002/3000/04, Rev C
- Proposed Interchange General Arrangement - Drawing no: 36382/2011/100/02, Rev C1
- Park Mark Statement of Conformity TN001 - V1, dated 1/8/2017, prepared by PBA

Through discussions with the Thames Valley Crime Prevention Office it has been agreed that the design could be certified as being produced in accordance with the Park Mark Standard and that would meet the requirements set out within the planning condition. However, this would need to be awarded before the condition is fully met. Therefore, this is partial discharge of this condition.

Please note that the British Transport Police would like the opportunity to view the final quality and clarity of the completed CCTV installation.

In order to part discharge the condition, the development must be carried out in accordance with the approved details.

Please note that it is the responsibility of the developer to ensure that all relevant conditions are complied with during the construction and/or subsequent use of the development.

Yours sincerely

A. Amoah

Mrs Alison Amoah
Principal Planning Officer
