Dear Mr Steven

**RE: PROPOSED WORKS TO TWO TREES AT 29 & 29A KENDRICK ROAD, READING -
SUBJECT TO CONSERVATION AREA STATUS.**

Thank you for your emails of 3, 5 and 27 February 2018 regarding the above.

Further to my site visit, I can confirm that the Council have no objections to the following proposed tree work:

- Tree at 29 Kendrick Road and tree overhanging from 29A Kendrick Road – prune longest branches overhanging the driveway of 29 Kendrick Road by 2-3m, prune to provide clearance from the adjacent telephone wires and remove dead wood.

The works should not be carried out before six weeks from the date of your notification, i.e. before 19 March 2018.

This decision is valid for two years from the date of this letter, after which it lapses.

Informatives

1. Removal of dead or dangerous wood: This does not require the formal consent of the Council. However written notice must be given 5 working days in advance of removing dead wood. Where a branch is deemed to be 'dangerous', i.e. where works are 'urgently

necessary to remove an immediate risk of serious harm', you are required to give notice to the Council 'as soon as practicable after the works become necessary'.

2. Disturbance of wildlife: It is an offence under the Wildlife and Countryside Act 1981 (as amended) to disturb roosting bats or nesting birds. It is advisable to consult your tree surgeon/consultant to agree an acceptable time for carrying out any work. Wildlife and habitat controls are administered by Natural England who can be contacted on 0300 060 3900; enquiries@naturalengland.org.uk

3. It is best to avoid works in the period immediately before or during bud burst and leaf fall to minimise the effect on the long-term health of the tree

4. Tree work consents on land not owned by the applicant: It is strongly recommended that the owner of the tree be advised of any proposed works. The owner's permission must be sought if the tree works involve work past the boundary line. This letter does not in any way imply that this Council has informed the owner or sought permission or will condone the use of consents to force any landowner to grant such permission.

If you require any further assistance, please do not hesitate to contact me on the above number.

Yours sincerely

Sarah Hanson
