Dear Ms Walters,

TOWN AND COUNTRY PLANNING ACT 1990

Application Reference: 181781

Application type: Approval of Conditions

Address: Worton Grange Imperial Way Reading

Proposal: Application for the approval of details reserved by planning condition 53 pursuant to planning permission 151944. This submission seeks partial discharge of Condition 53 (Parking Provision) for Units B, E and F (Part 4).

I refer to your application as described above.

You were asked to provide consistent layout plans. You have referred the matter to the project team and have been advised that attached drawing 189477 R3-4 Rev. A (submitted in relation to Unit A last week, app ref: 181061) should now also be used to discharge this Condition 53 for Units B, E and F. You have also confirmed that the car park as per the amended parking layout will be handed over and made available on Monday 12th November.

On this basis the information is acceptable and therefore we can discharge the condition.

This condition also requires the car parking spaces to be retained for vehicle parking from now on.

Please note that it is the responsibility of the developer to ensure that all relevant conditions are complied with during the construction and/or subsequent use of the development.

Yours sincerely

Julie Williams
Area Planning Manager
