INFORMATIVES

1. This approval relates only to the non-material amendments sought and described above. Furthermore, it shall be read in the context of the substantive planning permission granted on 08/02/18 under reference 172234/FUL, and is bound by all the conditions attached to that permission. That permission still stands and this notice (and any other notices issued under Section 96a for this development) should be read together.
2. In reaching this decision, the Local Planning Authority is satisfied that the changes proposed by this application do not constitute material changes to the approved planning permission.
