Application At: The Fishermans Cottage Ph Kennet Side Reading RG1 3DW

Application No: 180625

Application type: Full Planning Approval

CONDITIONS & REASONS

1. The development to which this permission relates must be begun not later than the expiration of three years beginning with the date on which the permission was granted.

Reason: To prevent an accumulation of unimplemented planning permissions, and in accordance with Section 91 of the Town & Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2. The development hereby approved shall not be carried out other than in accordance with the following drawings/documents:

1803(PL)10 Rev P2 - Proposed Lower Ground Floor, as received 02/05/18
1803(PL)11 Rev P2 - Proposed Upper Ground Floor, as received 02/05/18
1803(PL)12 Rev P2 - Proposed Site Plan Roof Level, as received 02/05/18
1803(PL)20 Rev P1 - Proposed Site Sections, as received 02/05/18
1803(PL)21 Rev P1 - Proposed Site Sections, as received 02/05/18
1803(PL)30 Rev P1 - Proposed Site Elevations, as received 02/05/18
1803(PL)31 Rev P1 - Proposed Site Elevations, as received 02/05/18
2492-5-2 DR-0001 Rev S3-P3 - Landscape Proposals, as received 11/04/18

Reason: To clarify which drawings have been approved and in the interests of proper planning.

3. No development shall take place, including any works of demolition, until a Construction Method Statement has been submitted to and been approved in writing by the Local Planning Authority to provide for:

- a) space on site where vehicles of site operatives and visitors can be parked with details of how site operatives and visitors will be required to make use of the parking area provided
- b) location on site for storage of plant and materials used in constructing the development
- c) the erection and maintenance (including removal of any graffiti or fly posters) of security hoarding around the site
- d) any footpath closures or road closures needed during construction
- e) wheel washing facilities on site
- f) a scheme for recycling waste resulting from the construction works

The measures within the approved Construction Method Statement shall be maintained and adhered to throughout the course of the development unless changes are agreed in advance and in writing by the Local Planning Authority.

Reason: in the interests of protecting the amenity of local land uses or neighbouring residents, the character of the area and highway safety, in accordance with Policies CS20, and CS34 of the Reading Borough LDF Core Strategy 2008 (Altered 2015) and Policies DM4 and DM12 of the Sites and Detailed Policies Document 2012 (Altered 2015).

4. No room within the extension hereby permitted shall be occupied until all vehicle parking spaces have been provided in accordance with approved plan 1803(PL)11 Rev P2 - Proposed Upper Ground Floor, as received 02/05/18. The spaces shall be kept available for parking at all times thereafter.

Reason: To ensure that the development is provided with adequate parking facilities to meet the needs of future occupiers and reduce the likelihood of roadside parking which could be a danger to other road users to accord with Policy CS24 of the Reading Borough LDF Core Strategy 2008 (Altered 2015) and Policy DM12 of the Reading Borough LDF Sites and Detailed Policies Document 2012 (Altered 2015).

5. No room within the extension hereby permitted shall be occupied until the bicycle parking facility for the building has been provided in accordance with approved plan 1803(PL)11 Rev P2 - Proposed Upper Ground Floor, as received 02/05/18. The facility shall be kept available for bicycle parking at all times thereafter.

Reason: To encourage travel by sustainable alternatives to driving a motorcar, in accordance with policies CS23 and CS24 of the Reading Borough LDF Core Strategy 2008 (Altered 2015).

6. No room within the extension shall be occupied until the bin storage facility shown on approved plan 1803(PL)11 Rev P2 - Proposed Upper Ground Floor, as received 02/05/18 has been provided and the bin storage facility shall be retained thereafter for use by occupiers of the building at all times.

Reason: To ensure that sufficient provision is made for the storage and collection of refuse and recyclables and to safeguard the amenity (including visual amenity) of existing nearby / future occupiers / road users from potential disturbance and/or smells and highway safety, in accordance with Policies CS2 and CS7 of the Reading Borough LDF Core Strategy 2008 (Altered 2015) and Policies DM4 and DM12 of the Sites and Detailed Policies Document 2012 (Altered 2015).

7. No development shall take place until a Japanese Knotweed eradication strategy has been submitted to, and approved in writing by the local planning authority. The

strategy shall include details of and timescales for knotweed eradication, and, if the knotweed has not been eradicated at the time of commencement of works, details of the measures to be put in place to ensure that works do not cause its spread. The eradication strategy shall be carried out in accordance with the approved details unless changes are agreed in advance and in writing by the Local Planning Authority.

Reason: To ensure that Japanese knotweed is controlled and not spread, thereby avoiding a significant adverse effect on biodiversity. More specifically, Japanese Knotweed is an invasive species listed on Schedule 9, Section 14, of The Wildlife and Countryside Act and can have an adverse effect on biodiversity by outcompeting native species. For this reason, it is illegal to cause its spread in the wild. This is in accordance with Policies CS36 of the Reading Borough LDF Core Strategy 2008 (Altered 2015).

8. The hard and soft landscaping of the development hereby permitted shall be carried out, in accordance with the approved landscaping plan 2492-5-2 DR-0001 Rev S3-P3 - Landscape Proposals, as received 11/04/18. The soft landscaping shall take place no later than during the first planting season following the date when the development hereby permitted is ready for occupation or in accordance with a timetable agreed in writing with the Local Planning Authority.

Reason: in the interest of ensuring that the landscaping of the development enhances the visual local environment and in accordance with Policy CS7 of the Reading Borough LDF Core Strategy 2008 (Altered 2015) and Policy DM18 of the Reading Borough LDF Sites and Detailed Policies Document 2012 (Altered 2015).

9. All planted materials shall be maintained for five years and any trees or plants removed, dying, being severely damaged or becoming seriously diseased within 5 years of planting shall be replaced with others of similar size and species to those originally required to be planted.

Reason: In the interests of the character and appearance of the new development and in accordance with Policy CS7 of the Reading Borough LDF Core Strategy 2008 (Altered 2015) and Policy DM18 of the Reading Borough LDF Sites and Detailed Policies Document 2012 (Altered 2015).

10. No development shall take place until a copy of an Interim BREEAM Certificate in accordance with the BREEAM Sustainability Standard demonstrating compliance with a minimum standard of BREEAM Very Good rating has been submitted to and approved in writing by the Local Planning Authority.

Reason: To ensure that the development contributes adequately towards environmental sustainability, in accordance with Policy CS1 of the Reading Borough LDF

Core Strategy 2008 (Altered 2015), Policy DM1 of the Sites and Detailed Policies Document 2012 (Altered 2015) and SPD Sustainable Design and Construction (2011).

11. No room shall be occupied until a copy of a Final BREEAM Certificate in accordance with the BREEAM Sustainability Standard following a post-construction stage review carried out by a licensed assessor has been submitted to and receipt acknowledged in writing by the Local Planning Authority, demonstrating that the development has attained as a minimum the standard set out in the Interim BREEAM Certificate referred to in the above condition.

Reason: To ensure that the development contributes adequately towards environmental sustainability, in accordance with Policy CS1 of the Reading Borough LDF Core Strategy 2008 (Altered 2015), Policy DM1 of the Sites and Detailed Policies Document 2012 (Altered 2015) and SPD Sustainable Design and Construction (2011).

12. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking or re-enacting that Order with or without modification) no enlargement, improvements or other alteration to the building hereby permitted shall be carried out and no building or enclosures shall be erected or installed within the curtilage of the building(s) without the express planning permission from the local planning authority.

Reason: In the interests of the amenities of neighbouring properties and to protect and maintain the character of the area in accordance with Policies CS7 and CS33 of the Reading Borough LDF Core Strategy 2008 (Altered 2015).

13. The extension hereby permitted shall not be occupied at any time other than for purposes ancillary to the use of the principal building as a drinking establishment (Class A4). The extension shall not be used or occupied as a separate residential dwelling or dwellinghouse (Class C3), house in multiple occupation (Class C4 or Sui Generis) or standalone hotel accommodation (Class C1) without the express planning permission from the local planning authority.

Reason: To accord with the terms of the application, to ensure the extension is not used for unauthorised purposes and to ensure that separate occupation of the extension/building would not detract from the amenities or living conditions of neighbouring residential properties, the character of the locality and/or noise, traffic congestion and excessive on-street parking, in accordance with Policies CS10 and CS24 of the Reading Borough LDF Core Strategy 2008 (Altered 2015) and Policies DM4 and DM12 of the Reading Borough LDF Sites and Detailed Policies Document 2012 (Altered 2015).

INFORMATIVES

1. i) The attention of the applicant is drawn to Section 59 of the Highways Act 1980, which enables the Highway Authority to recover expenses due to damage caused by extraordinary traffic.

ii) Any works affecting the Highway shall be in accordance with Reading Borough's Council's document "Guidance Notes for Activities on the Public Highway within the Borough of Reading". The applicant should note that compliance with this document is mandatory and licences to work on the Highway will only be issued if the requirements contained within it are met. A copy can be obtained from the Council's website.

2. The Local Planning Authority has worked positively and proactively with the applicant during the assessment of the application, to enable a positive officer recommendation to be made.

3. Noisy construction, demolition and associated activities should be restricted to between the hours of 08:00hrs to 18:00hrs Mondays to Fridays, and 09:00hrs to 13:00hrs on Saturdays, with no noisy works taking place at any time on Sundays and Bank or Statutory Holidays.

4. There should be no burning of waste on the site.

5. In accordance with Article 35 (DMPO 2015) some conditions have been highlighted to make clear that they require approval from the Local Planning Authority before any development begins. This is because the details need to be designed or works implemented before any other works start on the site or are of a nature that it would be impractical to consider after work has started.

6. Your attention is drawn to the terms and conditions of this permission. Any development which is carried out but which differs materially from the approved plans and details, or does not comply with any condition(s) or planning obligation(s) attached to the permission may result in the Council taking action to remedy the breach of planning control. If you are in any doubt please contact the Council.

7. Your attention is drawn to the requirement for submission of a Building Regulations application for the proposed development. Please contact Building Control on 0118 937 2449 for advice.

8. Complaints are commonly received about noise and dust caused by construction and demolition works, particularly working outside reasonable hours and smoke from bonfires associated with the burning of waste on site. The developer is reminded that construction and demolition associated with the approved development will be subject to environmental health law.

9. During the course of construction, the developer should take care to ensure that no part of this development (foundations, eaves, guttering, etc.) would encroach on, under or across the boundary line with the adjoining property, as the requisite Notice has not been served on the owner of that property. This permission does not confer any right of access onto land that is not under the developer's control. The developer should also be mindful of the obligations and requirements of the Party Wall Act (1996) details of which can be found at:

NOTES

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Council to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against the Council's decision on the application you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against the Council's decision on your application, you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (or 12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.

If the above circumstances do not apply, any appeal must be made within the following time limits.

If this is a householder application and you want to appeal against the Council's decision then you must do so within 12 weeks of the date of this notice. If this is an advertisement application and you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of this notice. If you want to appeal against your local planning authority's decision for any other type of application (which is not a householder or advertisement application, or an application for a Certificate of Lawfulness) then you must do so within 6 months of the date of this notice.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Appeals must be made using a form which you can get from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN, tel. 0303 444 5000, or online at www.planningportal.gov.uk/pcs.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Street Naming & Numbering

You must contact Reading Borough Council to:

- Name or number a new development
- Name a new street
- Get addresses for flat conversions
- Name or rename an existing building

Otherwise the following may occur:

- You will not have an official address or postcode. When your property goes through the official process it may be given a different address and Postcode than you are currently using.
- You may have difficulty receiving mail
- You may have problems when buying goods or services such as utilities and telecommunications
- The emergency services may have difficulty locating you.
- You may have problems accessing Council services such as Education, Parking Services and Electoral Registration.

The Council is responsible for assigning house names and numbers and street names. It is also responsible for updating the National Land and Property Gazetteer (NLPG) which is a list of addresses which meet a common standard (BS7666) used throughout the country.

When a new address or change of address is requested, the Council contacts Royal Mail who check the address on behalf of the Emergency Services, assign a postcode and add it to their Postal Address File (PAF). The PAF list is used by many companies and services to check addresses, authenticate transactions and order goods, as well as deliver mail, so it is in your interest for your address to be on that list. Royal Mail will not create an address until requested to do so by the Council.

How to apply:

Email us using streetnamingnumbering@reading.gov.uk

Or telephone us on 0118 9373737

What we need to complete your request:

For new addresses or flat conversions:

- Site layout plan containing plot numbers
- Location plan - No bigger than A3 size (hard copy, PDF, JPEG or AutoCAD) showing the site boundary, including the new development, together with surrounding buildings for reference
- Anticipated completion and occupation dates

For change of address:

- You must be, or have authorisation from, the owner to request a change of address.
- Floor plan of the existing property
- Reason for change

Once created, the Council informs various bodies of your new address including the Emergency Services, Council Tax, Land Registry and utility companies as well as adding it to the National Land and Property Gazetteer.

Please be advised that companies and services using the PAF file only update the addresses monthly, quarterly or even less frequently, therefore it may take a while for your address to be listed in some places. It will, however, appear on the Royal Mail website within a few days once it has been added to the live address file.

Reading Borough Council has no control over the frequency by which other organisations update their address files.
