CONDITIONS & REASONS

1. Sufficient evidence has been provided to demonstrate that a Certificate of Lawfulness should be granted for the proposed single storey rear extension.

The proposal has been assessed against the Town and Country Planning Act 1990 (as amended) and Class A, Part 1 of Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015. It can be confirmed that the proposed operation would be lawful for planning purposes on the basis of the drawings received on 24th July 2018 and 16th August 2018:

Drawing No: 01 - Existing Elevations and Floor Plans (received 24th July)

Drawing No: 02A - Proposed Elevations (received 16th August)

Drawing No: 03 - Proposed Ground Floor Plan (received 24th July)

Drawing No: 10A - Location Plan, Block Plan, Roof Plan (received 16th August)

Therefore the Local Planning Authority can issue the applicant with a Certificate of Lawfulness for the proposed development.

INFORMATIVES

1. Your attention is drawn to the requirement for submission of a Building Regulations application for the proposed development. Please contact Building Control on 0118 937 2449 for advice.

2. Complaints are commonly received about noise and dust caused by construction and demolition works, particularly working outside reasonable hours and smoke from bonfires associated with the burning of waste on site. The developer is reminded that construction and demolition associated with the approved development will be subject to environmental health law.

3. During the course of construction, the developer should take care to ensure that no part of this development (foundations, eaves, guttering, etc.) would encroach on, under or across the boundary line with the adjoining property, as the requisite Notice has not been served on the owner of that property. This permission does not confer any right of access onto land that is not under the developer's control. The developer should also be mindful of the obligations and requirements of the Party Wall Act (1996) details of which can be found at:

5. If you are aggrieved by the decision of the Council, you may appeal to the Secretary of State under Section 195 of the Town and Country planning Act 1990.
