3. The applicant is advised that as an application for prior approval under Class O, Part 3 of Schedule 2 to the Town and Country Planning (General Permitted Development) Order 1995, as amended by The Town and Country Planning (General Permitted Development) (Amendment) (England) Order 2016, this prior approval notice relates to the change of use of the building from Class B1(a) to C3 (dwellinghouses) only and no other use.

4. The occupiers of the residential units will not be entitled to an on- street car parking permit in the interests of the proper management of parking, and to ensure that the development does not harm the existing amenities of the occupiers of neighbouring residential properties by adding to the already high level of on street car parking in the area in accordance with Core Strategy Policy CS24 and Sites and Detailed Policies document Policy DM12. The site is located close to local facilities, with frequent public transport services on nearby roads. The parking permit conditions above place a requirement that the Council be notified of postal addresses of the residential units before occupation and that the occupiers/transferees to be informed of the prohibition on entitlement to a car parking permit.

The applicant should be made aware that compliance with this document is mandatory and licences to work on the highway will only be issued if the requirements contained within it are met. A copy can be obtained within the Transport Strategy area of the Transport Section on the Reading Borough Web Site.

6. In connection with the implementation of this office prior approval, no noisy construction, demolition and associated activities should take place outside the hours of 0800 to 1800 Mondays to Fridays and 0800 to 1300 on Saturdays.
