Dear Mr Armstrong,

TOWN AND COUNTRY PLANNING ACT 1990

Application Reference: 180846

Application type: Approval of Conditions

Address: Elvian School 61 Bath Road Reading RG30 2BB

Proposal: Application for discharge of condition 18 of planning permission 151175.

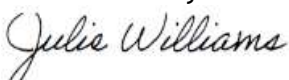

I refer to your application as described above.

Condition 18 - Boundary Treatment was previously discharged when details were submitted for approval by application 162042. At that time the revised submitted details comprising Hard Landscape Proposals drawings Sheet 1 of 2 and 2 of 2 - CSA/2770/100 C and CSA/2770/101 C were considered acceptable to allow for the discharge of condition 18.

I understand that this current application seeks to provide alternative boundary details for approval due to the addition of railings in certain locations. With reference to the two Hard Landscape plans submitted, with railings now added, these still show the mammals gaps as were shown on the drawings approved under 162042/APPCON and therefore we have no objections to this proposed design for the boundary.

The photographs provided would suggest that much of the new boundary has already been installed. Once all of the boundaries are installed as shown on the approved drawings this planning condition will be met.

Yours sincerely

Julie Williams
Area Planning Manager
