Dear Mr Ambridge,

TOWN AND COUNTRY PLANNING ACT 1990

Application Reference: 180929

Application type: Approval of Conditions

Address: The Wren School 61 Bath Road Reading RG30 2BB

Proposal: Discharge of condition 60c of planning permission 151175

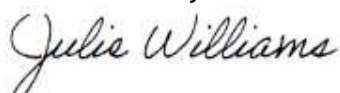

I refer to your application as described above. It was referred to environmental protection colleagues for comment. They have responded:

Condition 60C

The gas monitoring report concludes that no remediation (gas protection) is required, therefore no remediation strategy as required by condition 60b, and no implementation of a remediation strategy with corresponding validation certification as required by condition 60c is necessary either. I can therefore recommend discharge of the condition.

Therefore this condition has now been met.

Yours sincerely

Julie Williams
Area Planning Manager
