Reading Family promote car sharing and many families and friends share lifts to church and our community events. We have parking on site for around 50 cars, which is sufficient for our week day and community events. In addition, we have access to an additional 260 car park spaces at Ultima Business solutions next door off manor farm road, for larger community events at the weekends. For these events there will be car parking stewards with Hi-Vis jackets to guide you into the car parks which are no more than a minutes' walk from the building.

Conveniently situated on the service road, parallel with Basingstoke Road which has cycle lanes. Also close to National Cycle routes 4 and 23 which links us to the town centre, Green Park. Also via the Kennet and Avon canal + River Thames to the west and east of Reading. We will be constructing a bike shed soon with ample storage for bikes.
