Application At: 57 Silverthorne Drive Caversham Reading RG4 7NR

Application No: 172195

Application type: Householder

REASONS FOR REFUSAL

1. The proposed roof form and siting of the garage forward of the existing dwelling would detract from the simple and uncluttered appearance of the host property, and are unsympathetic to its distinctive character. This poor relationship between the proposal and the original house would result in a detrimental impact on the unique character and pattern of neighbouring properties and the street scene, contrary to Core Strategy Policy CS7 (Design and the Public Realm) and the Sites and Detailed Policies Document Policy DM9 (House Extensions and Ancillary Accommodation).

2. The floor plans and elevation plans submitted do not match in terms of windows shown, and the exact nature of the proposed roof is not clearly discernible from the drawings submitted. As such the plans fail to demonstrate an acceptable design that integrates satisfactorily with the existing dwelling and surrounding area.

2. The local planning authority has worked positively and proactively with the applicant to see if relevant concerns could be resolved to allow permission to be granted. However, that has not been possible within the prescribed target or agreed extended timescale and therefore the decision to refuse planning permission has been taken.

NOTES

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Council to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against the Council's decision on the application you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against the Council's decision on your application, you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (or 12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.

If the above circumstances do not apply, any appeal must be made within the following time limits.

If this is a householder application and you want to appeal against the Council's decision then you must do so within 12 weeks of the date of this notice. If this is an advertisement application and you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of this notice. If you want to appeal against your local planning authority's decision for any other type of application (which is not a householder or advertisement application, or an application for a Certificate of Lawfulness) then you must do so within 6 months of the date of this notice.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Appeals must be made using a form which you can get from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN, tel. 0303 444 5000, or online at www.planningportal.gov.uk/pcs.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
