Dear Barrett &Thomson,

TOWN AND COUNTRY PLANNING ACT 1990

Application Reference: 180694

Application type: Approval of Conditions

Address: Chatham Street Reading

Proposal: Application seeking confirmation that all conditions of planning permission ref. 05/00849/FUL have been discharged

I refer to your application as described above.

I can confirm that all conditions apart from no.s 21, 22 and 23 have been complied with, satisfied or discharged.

Many of these conditions have ongoing requirements that must be adhered to.

From the application records it appears that it has not been necessary to comply with conditions no. 21 and 22.

There is no record of condition no. 23 having been complied with, satisfied or discharged.

The immunity period for non-compliance with such conditions is ten years; therefore any breaches would now be immune from enforcement action from this Authority and no further action is required.

I trust the above is suitable for your purposes.

Please note that it is the responsibility of the developer to ensure that all relevant conditions are complied with during the construction and/or subsequent use of the development.

Yours sincerely

Matt Burns
