Dear Mr Armstrong,

TOWN AND COUNTRY PLANNING ACT 1990

Application Reference: 180046

Application type: Approval of Conditions

Address: Elvian School 61 Bath Road Reading RG30 2BB

Proposal: Application to discharge condition 23 of planning permission 151175

I write in reference to the discharge of a planning condition at the above site.

Condition 23 - Noise mitigation

Following consultations with the Council's Environmental Health Officer, I can confirm that the mitigation measures recommended in the Noise Assessment by AIRO ref DLW/6575/D can be satisfied with the Sound Mounted Noise Reducing Ventilator by Titon, and the glazing by Glassolutions Saint-Gobain as per the Computation of the Sound Transmission Loss sheet. The details are considered acceptable to allow for the discharge of condition 23 of permission 151175.

Please note that it is the responsibility of the developer to ensure that all relevant conditions are complied with during the construction and/or subsequent use of the development.

Should you wish to discuss this matter further, please contact me by email or the direct line as above.

Yours sincerely

Mr Ralph Chakadya
Planning Officer
