Ian, Stephen,

The jackustic fencing chosen meets the 3 parameters as previously outlined (assuming agreed fencing height) and therefore is suitable for application.

Kindest Regards

Dear Ian

We spoke about the Jacksons solution

Could you please review the Barrier pdf and write back to Stephen who is handling the submission informing him that you are OK with it?

He is not willing to submit the proposal with further technical support.

Thank you in anticipation

Dear Mr Lawson,

Please find attached your requested Budget Quotation for the above site. The attached quotation is purely a budget quotation as we have not yet visited the site, and should only be used to give you guideline of the expected costs.

For us to be able to provide you with a fixed price quotation, we would need to complete a **Free No Obligation Site Visit** to ascertain the ground conditions and to confirm the meterage, level and any changes of directions. Once the Visit has been completed we would then be able to provide you with fixed costings for the job, which would include reviewing the labour charges and applying the appropriate discounts based upon the order value.

Should you wish to go ahead with the site visit or would like to run through the break down of costs, please feel free to contact me or my colleague Rob.

Kindest regards,
Peter Ellis
