CONDITIONS & REASONS

1. The proposal has been assessed against Class A of Part 1, Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015, and it has been confirmed that the proposal would be lawful, on the basis of the following submitted drawings:

Existing and Proposed Ground Floor Plan

Existing and Proposed First Floor Plan

Existing and Proposed Rear Elevation

Existing and Proposed Side Elevation

Received on 21st September 2017

Location & Site Plan: Proposed

Received on 22nd September 2017

Therefore the Local Planning Authority will, on this occasion, issue the applicant with a Certificate of Lawfulness for the proposed development.

INFORMATIVES

1. Your attention is drawn to the requirement for submission of a Building Regulations application for the proposed development. Please contact Building Control on 0118 937 2449 for advice.

2. Complaints are commonly received about noise and dust caused by construction and demolition works, particularly working outside reasonable hours and smoke from bonfires associated with the burning of waste on site. The developer is reminded that construction and demolition associated with the approved development will be subject to environmental health law.

Notes

1. This certificate is issued solely for the purpose of section 192 of the Town and Country Planning Act 1990 (as amended).
2. It certifies that the use/operations/matter specified in the First Schedule taking place on the land described in the Second Schedule would have been lawful, on the specified date and, thus, would not have been liable to enforcement action under section 172 of the 1990 Act on that date.
3. This certificate applies only to the extent of the use/operations/matter described in the First Schedule and to the land specified in the Second Schedule and identified on the attached plan. Any use/operations/matter which is/are materially different from that/those described or which relate/s to other land may render the owner or occupier liable to enforcement action.
4. The effect of the certificate is also qualified by the proviso in section 192(4) of the 1990 Act, as amended, which states that the lawfulness of a described use or operation is only conclusively presumed where there has been no material change, before the use is instituted or the operations begun, in any of the matters relevant to determining such lawfulness.
5. If you are aggrieved by the decision of the Council, you may appeal to the Secretary of State under Section 195 of the Town and Country planning Act 1990.
