Sarah Duckworth, Planning & Building Control

Dear Mr. Soderbacka,

**SECTION 211 NOTIFICATION OF WORKS TO FELL 2X LILAC (SYRINGA VULGARIS) -
SUBJECT TO CONSERVATION AREA STATUS.**

Further to my site visit of 13th September 2017, I can confirm that the Borough Council raises no objections to the following proposed tree work:

- Lilac (front adjacent to garage) - Fell to ground level
- Lilac (rear garden, partially failed stem) - Fell to ground level.

The Borough Council has identified that these are large shrubs / small trees which do not have the amenity value now, nor in the future in order to meet the criteria for inclusion in a Tree Preservation Order.

Informatives

1. Disturbance of wildlife: It is an offence under the Wildlife and Countryside Act 1981 (as amended) to disturb roosting bats or nesting birds. It is advisable to consult your tree surgeon/consultant to agree an acceptable time for carrying out any work. Wildlife and habitat controls are administered by Natural England who can be contacted on 0300 030 6000

If you require any further assistance, please do not hesitate to contact me on the above number.

Yours sincerely

Sarah Duckworth
