

MODUS:

19th June 2017

Our Ref 9 Greyfriars Regus Reading RG1 1JG.

Dear Sirs/ Madam

This is a recently refurbished building and has installed up to date access facilities. The intended development of the roof terrace is similar to the existing terrace area located on Level 3, the lower floor. Access via the office area where an accessible transition strip between office and terrace area will be applied allowing mobility of wheelchairs. The terrace area is open and will be populated with outdoor furniture tables and chairs for the office staff to use.

Kind Regards

Calvin Turner
