

155 Friar Street, Reading
Proposed Selecta-Glaze Secondary Glazing Fixing Detail

Note: To be installed to all street facing windows of upper floors. Position of any glazing bars / mullions to match host windows

Standard Square Reveal Fix

- 33mm x 15mm twice primed softwood ground bedded in acrylic mastic and fixed to structure
- Odd leg frame with applied mastic bead lips ground and is fixed to it
- Local concealed packers take up opening tolerance
- Optional caulking joint between frame and wall allows finished decoration

Guidance

- Set back minimum 12mm from wall face to avoid blowing plasterwork
- Any hinge fixings must penetrate into structure
- Enlarged timber grounds required when:
 - Dealing with very irregular openings
 - providing access for remote blind controls
- Optional back fillet available to conceal packing
