

RIVERMEAD LEISURE CENTRE- DEMOUNTABLE POOL EXTENSION

CONTRACTOR PARKING

All Contractor Vehicles will be required to park in the far South West Corner.

Prior to parking and on 1st visit to the site each Driver will be required to advise the Onsite Leisure Staff of their vehicle registration.

A list of vehicles parked will be shared with the Leisure Centre staff each day taken from the signing in book held on site

Failure to observe the above will result in Parking fines applied to the offending vehicles

The EMERGENCY MUSTER POINT will be located in the Carpark and will be identified by a GREEN sign with EMP displayed.

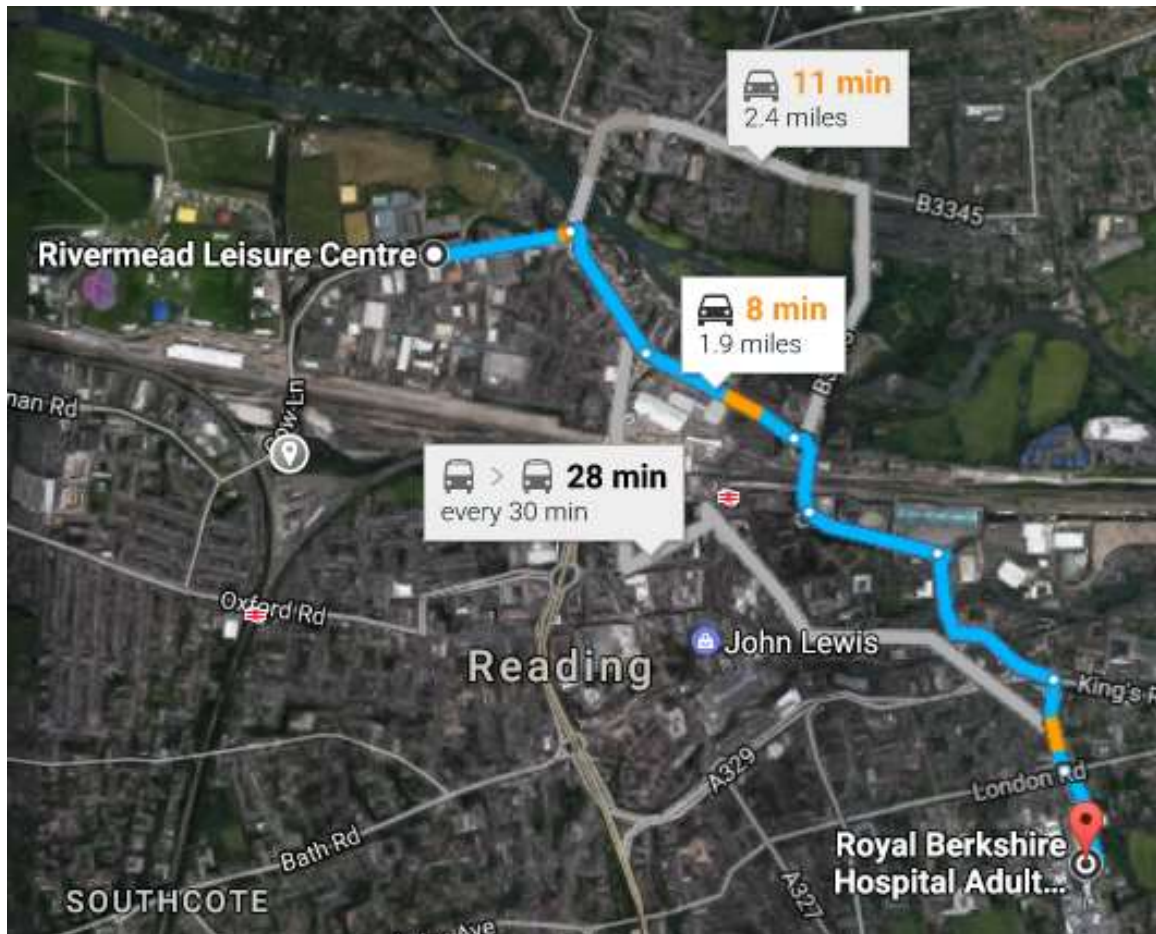

Where a fire drill or fire activation is indicated by the use of a siren which will be activated by the Site Manager all parties on site will be required to make their way to the EMP.

The signing in book will indicate who is on site and will be record document used to indicate to the emergency services who was on site at the time of the activation.

GLL operate Fire Tests weekly every Thursday evening

EMERGENCY MUSTER POINT
