Dear Ms Trayner,

TOWN AND COUNTRY PLANNING ACT 1990

Application Reference: 171487

Application type: Approval of Conditions

Address: St Georges Hall St Georges Road Reading RG30 2RG

Proposal: Discharge of condition 15 of planning permission 152301/FUL

I refer to your application as described above.

Condition 15: Written Scheme of Investigation

The Written Scheme of Investigation for Historic Building Recording dated August 2017, by Pre-Construct Archaeology Limited, received by the local planning authority on the 29th August 2017 has been reviewed and is considered acceptable. Subject to the development being completed in accordance with the aforementioned details, the requirements of the condition have been satisfied and on completion of a post recording report the condition will have been discharged.

For completeness of Condition 15 a copy of the post recording report should be submitted to the local planning authority for their records once it is available. Berkshire Archaeology has requested a copy of this report and paragraph 3.7 of the Written Scheme of Investigation states this will be undertaken.

Please note that it is the responsibility of the developer to ensure that all relevant conditions are complied with during the construction and/or subsequent use of the development.

Should you wish to discuss this matter further, please contact me by email or the direct line as above.

Yours sincerely

C. Ringwood
