Cycling	1	1	1	1	2	2
Taxi	0	2	0	1	0	0
Total attendance	36	33	50	39	39	49

Survey timings are between 7:15pm till 9:30pm on Thursdays.

Two objectives:

1. To know the number of attendees and the means of travel.
2. To know how many cars that park in the available parking spaces.

The results show that on average there are 11 cars during the programme on Thursday evenings.
