Dear Mr. Hopkins,

Application reference 170808/APPCON
Application for approval of details reserved by Condition 6 of planning
permission 162323/FUL - Construction Method Statement

Condition 6 (Construction Method Statement)

You have submitted the following documents in order to discharge the above condition:

‘Rivermead Leisure Centre - Demountable Pool Extension, contractor parking’ statement, received on 19/5/2017. Subsequently, your colleague Danny Woodgate provided an email response (dated 8/8/2017) to respond to queries from RBC Transport Strategy. RBC Transport Strategy, as the Highway Authority, is satisfied with these confirmations and the above information is now satisfactory.

Therefore, Condition 6 is hereby discharged, providing that the construction works are undertaken in accordance with the above.

Yours sincerely,

Richard Eatough
Principal Planning Officer (North/Central)
