INFORMATIVES

1. The applicant is advised that as an application for prior approval under Class O, Part 3 of Schedule 2 to the Town and Country Planning (General Permitted Development) Order 1995, as amended by The Town and Country Planning (General Permitted Development) (Amendment) (England) Order 2016, this prior approval notice relates to the change of use of the building from Class B1(a) to C3 (dwellinghouses) only and no other use.

2. This prior approval relates only to the change of use of existing floor space and land. If there are any external alterations or extensions to the building, planning permission is required for these. For example, it is noted that the proposed floor plans show replacement of doors with a window (as shown on drawing no. 4929 02 B - Proposed Ground Floor Plan received on 2nd June 2017) to the front elevation. The grant of prior approval does not make the development lawful.

3. The occupiers of the residential units will not be entitled to an on- street car parking permit in the interests of the proper management of parking, and to ensure that the development does not harm the existing amenities of the occupiers of neighbouring residential properties by adding to the already high level of on street car parking in the area in accordance with Core Strategy Policy CS24 and Sites and Detailed Policies document Policy DM12. The site is located close to local facilities, with frequent public transport services on nearby roads. The parking permit conditions above place a requirement that the Council be notified of postal addresses of the residential units before occupation and that the occupiers/transferees to be informed of the prohibition on entitlement to a car parking permit.

4. In connection with the implementation of this office prior approval, no construction, demolition and associated activities should take place outside the hours of 0800 to 1800 Mondays to Fridays and 0800 to 1300 on Saturdays. No noisy works shall take place at any time on Sundays and Bank or Statutory Holidays. Please refer to the Council's website for more detailed information:
