Dear Mr Brotherton,

13-21 CROWN STREET AND 22 SILVER STREET, READING 170794/FUL - 13-21 – DAYLIGHT AND SUNLIGHT

Thank you for providing revised set of drawings in relation to your proposals, I have now had an opportunity review and can confirm the following.

When compared to the scheme reported in May 2017, I do not anticipate any material change to our findings. Therefore I suggest that no further technical study is required and our conclusions remain the same as previously reported.

Yours sincerely
