

An aerial photograph of a residential street named 'UPPER WOODCOTE ROAD'. The road is a light-colored, winding path that runs vertically through the center of the image. On the left side of the road, several properties are visible. Property 177 is highlighted with a red rectangular border; it contains a house with a brown roof and a blue garage, surrounded by green lawn and trees. To the right of property 177 are properties 175 and 179, which also contain houses. The right side of the road shows more properties, some of which are partially visible. The overall scene is a suburban residential area.
