East Reading MRT (Mass Rapid Transit) Route Consultation Event

‘A New Bus, Pedestrian and Cycle Route for East Reading’

The MRT Scheme would provide a number of key benefits including:

- Significantly improved public transport connectivity between Reading & Wokingham
- Encourage sustainable economic growth by promoting public transport usage and reducing car trips
- Ease forecast traffic congestion and improve air quality in East Reading
- Promote healthy living and well-being by providing opportunities for walking and cycling
- Provide ecological enhancements and opportunities for recreation uses along the route

Tuesday 19th July 2016, 1 - 7pm

Wokingham Waterside Centre - Thames Valley Park Drive Earley RG6 1PQ

Residents and business are invited to drop in and ask any question on the scheme proposals

Information will also be on display at Reading Borough Council's offices in Bridge Street and online at www.reading.gov.uk/east-reading-mrt following the exhibition from Tuesday 19th July to Tuesday 16th August 2016

Date: 14th July 2016

Your contact is: Chris Maddocks, Transport Planning Manager

Dear Sir/Madam

As you may be aware, Reading Borough Council is undertaking a public consultation on the East Reading Mass Rapid Transit (MRT) scheme; which is a proposed public transport, walking and cycle route between the proposed park and ride facility at Thames Valley Park and Reading town centre.

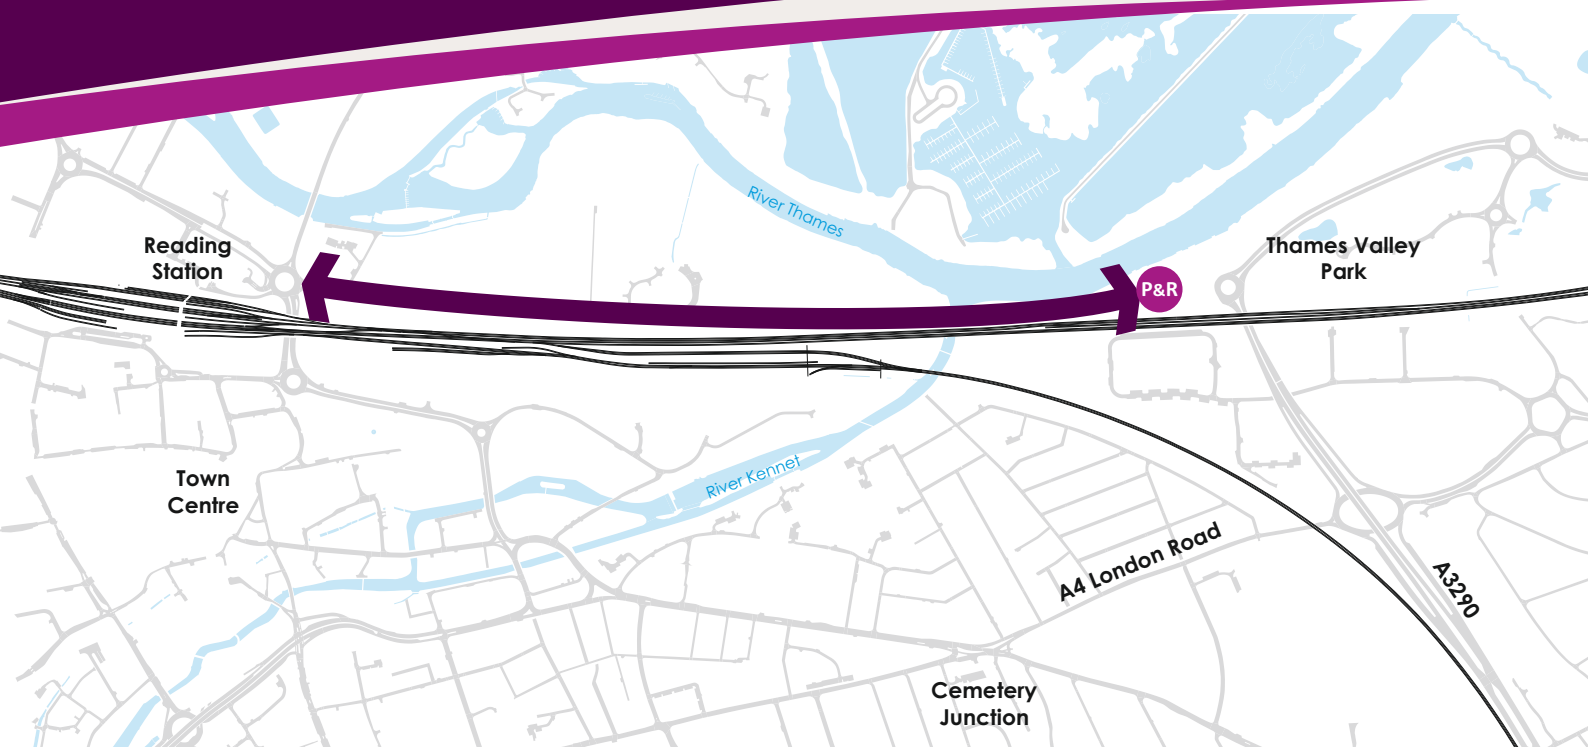

As part of the consultation there will be a public exhibition to provide an opportunity for members of the local community and stakeholder groups to view the proposals and provide feedback. The public consultation event will be held on: Tuesday 19th July 2016 from 1pm-7pm at Wokingham Waterside Centre, Thames Valley Park Drive, Earley, RG6 1PQ.

We are writing to local residents, businesses and community facilities to publicise this event and we would be grateful if you could display the enclosed flyer on your noticeboard or in an appropriate location.

Yours faithfully

Chris Maddocks
Transport Planning Manager
