INFORMATIVES

1. Works affecting the highway

i) The attention of the applicant is drawn to Section 59 of the Highways Act 1980, which enables the Highway Authority to recover expenses due to damage caused by extraordinary traffic.

ii) Any works affecting the Highway shall be in accordance with Reading Borough's Council's document "Guidance Notes for Activities on the Public Highway within the Borough of Reading". The applicant should note that compliance with this document is mandatory and licences to work on the Highway will only be issued if the requirements contained within it are met. A copy can be obtained from the Council's website.

2. Telecom Applications

The Highway Authority will require a £295 fee for carrying out site visits, technical approval of the proposal drawings, liaison with our electrical streetlight provider and site visits during the installation works on this traffic sensitive street.

The Highway Authority will require detailed traffic management plans to be returned to the Streetworks Co-ordinator at Civic Centre, Reading, RG1 7TD for approval prior to works commencing.

The Highway Authority will require a pre-start site meeting with the telecomm provider, and their installations electrical engineer with our streetlighting electrical provider to agree electrical installation safety and to co-ordinate the works between all parties.

The Highway Authority will require the provision of a site specific method statement and safe working procedure to detail how the Council's streetlighting contractor can safely secure the site to carry out routine maintenance on the streetlight apparatus.

The Highway Authority will require the provision of suitable duct access to the column base for the separate power supply to the streetlighting apparatus.

If you wish to discuss this matter further, please contact me on the above number.

Yours sincerely

Matthew Burns
