

HEAVY DUTY SQUARE TOP

Heras Anti-climb Square Top Panels

The Heras Anti-climb Panel is an improved anti-climb version of our very first creation (the Original Heras panel). The panels are available as standard or heavy duty and both benefit from Smartweld technology.

Heras offer a wide range of temporary fencing to suit all budgets and specifications, whether it be the Standard Anti-climb panel or the Heavy Duty Square Top panel.

- Standard Square Top.
- Heavy Duty Square Top.
- Close wire spacing to HSG151 guidelines.
