Dear Mr Mahi,

**Application for approval of details reserved by conditions 4 and 5 planning permission
141964/FUL at 176 Oxford Road**

I write with regards to the discharge of the pre-commencement conditions for this site.

Condition 4 - noise and Condition 5 - odour

No objection has been raised by the environmental health in regards to the noise assessment and odour control measures which appear to be satisfactory.

The above conditions, where a submission is required and has been provided, shall have been considered to have been discharged, providing that the development is undertaken in accordance with the approved details.

I trust the above is satisfactory, however, please contact me should you have any queries.

Yours sincerely

Jasmine Singh
