Tilehurst St George

Hall Usage Plan

13th November 2014

Introduction

This policy states the Tilehurst St George's Parochial Church Council's (PCC) planned usage for its current church hall and proposed new church hall. The hall is made available to all members of the community, provided the activities do not conflict with the moral ethos of Christian teaching. The hall is specifically open to secular organisations and other faith groups. All hall users are required to enter into a hall hire agreement and comply with the PCC's safeguarding policy and procedures. The rent will be reviewed annually, and discount for block bookings is negotiated with limits set by the PCC.

Planned Usage

Sundays - lunch time: The New Testament Church of God in Christ

Monday evenings (first in the month): After Eights Group

Tuesday mornings: St George's Toddlers

Tuesday evenings: Karate Group

Thursday evenings: Karate Group

Friday afternoons: Muslim Friday Prayers

Ad hoc bookings such as children's parties, community meetings and concerts are particularly welcomed.

Restrictions

A curfew of 10.30pm is strictly enforced.

Noise levels must be kept to a minimum at all times. Loud parties will not be accommodated.

The PCC has a strict no alcohol policy.

Review Process

This document reflects existing policy of the PCC towards usage of the current building, will be applied to the new community facility and will be reviewed annually or more frequently should the need arise.
