Item B. - Illuminated Projecting Lightbox

supply and install 1 No. double sided illuminating lightbox, fully fabricated and powder coated standard RAL 9005 Black. Complete with digitally printed skin and clips to face and rear of box, tensioned to fit complete outside sizes. Internally illuminated using white energy saving LED's with all suitable drivers included. Selective block-out to rear of skin to allow text and logo sections only to illuminate.

Please check the artwork thoroughly, including any sizes, colours and spelling (including company contact details). We cannot be held responsible for any artwork errors once the job has been approved.
