Hi Gareth

No, the affordable units wouldn't be of interest here due to the low number.

Tom & Sophie cc'ed in cover Reading for any future opportunities in the LA.

Many thanks

Rachel

Subject: Market Place, Reading

Hi Rachel

We're working on a site in Reading which is 15 units. The Council have asked us to confirm with RPs whether they would be interested in taking any affordable units.

The likelihood would be 2 units of affordable.

The Council have asked us to confirm with RPs whether they would be interested.

Grateful if you could confirm.

Thanks
Gareth
