Details of the pre-application advice received

Pre-application advice pertained to both the proposal for house extension as well as change of use. House extension is no longer a subject of this application. Attention has been brought to the site being not suitable for a Large HMO citing policy H8, therefore the proposal has been reduced to 6 person Small HMO and is no longer subject to the Large HMO policy particulars. Attention has been brought to the Article 4 directions and site searches in accordance to the Residential Conversions SPD have been conducted. Transport issues have also been raised and the current proposal provides 0.25 car parking spaces per bedroom as well as on-site bike storage to mitigate this.
