Dear Agent,

Thank you for your application for the above site. It has been registered on the above number. Unfortunately it is currently invalid:

- No tree survey - There are several TPO trees overhanging the rear garden. Please submit a tree survey (of all trees within 15m of any part of the proposal) and an Arboricultural Impact Assessment.

Once this is submitted, I will forward on your application to the allocated Officer, who will be in touch.

If we do not have a response from you within 28 days, the application will be closed and the documents deleted.

Kind Regards,
